

VOL. LXXXVI NO. 25 15 CENTS PER COPY

One Liner

Much is written on the art of speaking and very little on the art of listening.

All Men Must Die

Father Alfred J. Henderson, Pastor of St. Peter's Church in Antioch, is with us no longer. God called him to his heavenly service on Monday, December 6th. Fr. Henderson was stricken by a heart attack and died suddenly after parking his car near the Antioch Fire Department.

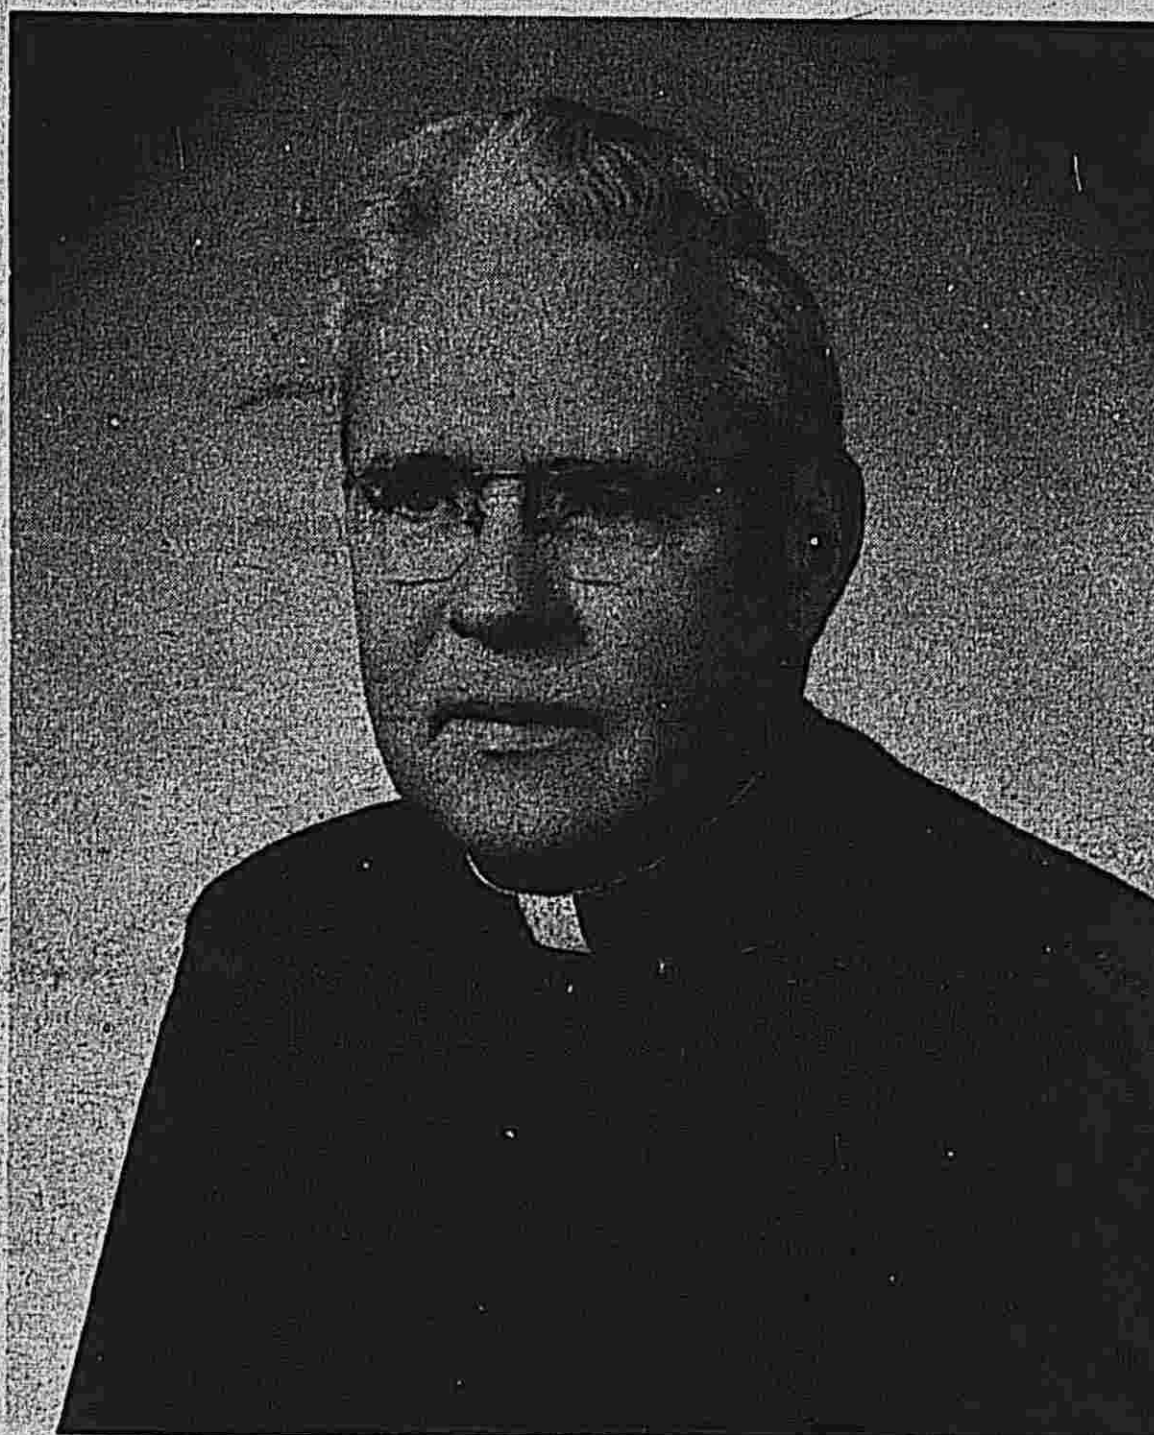

Fr. Henderson was the spiritual leader of his flock for twenty years, being installed as pastor on a blustery winter's day in December of 1951.

He was born in Chicago on October 2nd, 1903. His parents were the late James B. and Elizabeth Henderson.

Fr. Henderson received his primary school training at the Church of the Epiphany School in Chicago and his secondary school education at Quigley preparatory high school.

St. Mary of the Lake Seminary, in Mundelein, was the site of Fr. Henderson's preparation for the priesthood. He was ordained on September 22, 1928 in the Church of the Epiphany, in Chicago. He celebrated his first mass shortly afterward.

Between 1928 and 1930 Fr. Henderson did post graduate work at St. Mary of the Lake Seminary and attained M.A. and S.T.L. degrees. He was named assistant pastor of St. Sabina's Parish in 1930 and remained there until late in 1931.

REV. FATHER ALFRED J. HENDERSON

In 1931, Fr. Henderson was named a professor at Quigley Preparatory Seminary, where he instructed future priests in Greek for twenty years.

Fr. Henderson became pastor of St. Peter's Church in December of 1951.

During his twenty years at St. Peter's, Fr. Henderson was instrumental in the erection of new buildings and began many programs to assist his spiritual charges. The memory of his dedication and edifices he helped to create stand in testament to his selfless devotion. Fr. Henderson celebrated his fortieth year as a priest while serving at St. Peter's in 1968.

He was indeed a mighty figure in the pulpit on Sundays. His sermons often commenced in a muted hush and were completed with the zeal that would have made the church's patron saint smile in admiration.

His passing has affected all of us who knew and respected him as a true "Man of God." He will be sorely missed.

He will rest at the Curley Funeral Home at 3510 West 79th Street, Chicago from 2:00 p.m. to 10:00 p.m. on Wednesday. He will lay in state at St. Peter's Church after 2:00 p.m. Thursday, where a liturgical wake will be held at 8:00 P.M. On Friday, a concelebrated mass will be held at 11:00 a.m. at St. Peter's Church. Interment will be in Mt. Carmel Cemetery at Antioch.

Drugs... ACHS

At 11:15 a.m. on Thursday, December 2nd, Antioch Police officers were summoned to the Antioch High School to investigate a report from the school administration that they had apprehended three students selling marijuana in the school building.

Upon their arrival, police questioned one of the students who allegedly had made the sale and discovered that the student had indeed sold drugs to three other students, but that the substance in question was "speed" and not marijuana.

Speed is a term used to describe amphetamines, an addictive drug taken in large doses or injected into the bloodstream to induce a period of unusual alertness and

activity. They produce a euphoric high or feeling of well-being. The person taking this drug may also experience illusions that he can fly or float.

After police arrived the students were not immediately cooperative and a search of school lockers was carried out. When no drugs were found the police questioned the students further before they admitted their guilt.

According to police reports, one of the students had been seen by a woman monitor in the school commons accepting money from the other students. When challenged as to their activity, one of the four allegedly threatened the woman, should she inform school officials.

When it became apparent that

they would be questioned and possibly searched, the students slipped the drugs, two-four pill packets, to another student to dispose of. When this fifth student became apprehensive the drugs were given to yet another student, who flushed them down a toilet.

The student who had sold the drugs, apparently received them from a non-student, linked before to drug sales and another person, unknown to the seller. In all, 18 pills were delivered.

Apparently, this is the first occurrence requiring the police at the high school this year. However, the police have been summoned in recent years. Mostly involving marijuana, although nothing was uncovered.

According to several students at

the high school, drug sales, while not extremely common have occurred with some frequency in the past four years. When asked to elaborate, the students stated that sales of marijuana have taken place at the high school before and intimated that the very day after the police were present drugs were again up for sale.

The high school has made efforts to combat the rising use of drugs which is affecting the nation's young. Each sophomore at Antioch High School is required to take a six-week class in drug prevention. The course is taught through health classes, part of the Physical Education Department.

THANKS

Dear Wonderful People:

I just received two boxes from you wonderful people and I want to try and say thank you. It is a very easy thing just to say "thank you" but, that doesn't really say it. Words cannot even express the wonderful feeling one gets when people like you, who I don't even know, (I hope to meet someday) take time to set up such a project as yours.

Being far from home and away from family and friends is a pretty miserable existence. You look forward to the daily mail call and cherish the letter, as if it were some divine missal from heaven. When gifts like yours come it makes that day just like Christmas. I have received four boxes from you so, I have had four Christmas'.

I enjoyed everything and especially the homemade cookies. Please pass my appreciation to the baker of the cookies.

I'm not much at writing letters but I want to say one more thing. In this day of dissidence and sometimes outright hostility against our soldiers who are serving in Vietnam, it is most gratifying and rewarding to receive gifts from people, whom you don't even know. For me, it restores some of the faith I have lost in our people and has tremendously boosted my morale.

God Bless You,
SGM Clyde Layfield

To the Wonderful People of Antioch:

I want to thank everyone from the bottom of my heart for "bringing" Antioch to me. I'm referring to the delicious cookies you sent me for Christmas. They were delicious.

This is a wonderful thing you are doing. It's hard to imagine how things get away from home unless you are overseas. Luckily I'm stationed in England and not in South-East Asia, so I imagine it's easier for me.

So from this side of the globe I wish everyone involved in "Project Vietnam" a very Merry Christmas and a prosperous New Year and every success in "Project Vietnam".

Thank you,
SGT Martin Lulofs

Grass Lake School Building Addition Put To Voters

On Saturday, December 11, 1971 the voters of the Grass Lake School, District 36, will be acting on a \$280,000 building addition to the present school facility. Sup. William Hart sights basic overcrowding conditions and lack of adequate facilities as the major concerns. All available teaching stations are presently in use with classes exceeding 33 - 35 students. Overcrowded grades have had to be combined or placed in

one room with teachers aides being utilized. Enrollments are as high as 39 - 41 students per grade. The present enrollment of the school is 330 students which is up from 222 students in 1966. This growth has placed the library and cafeteria at capacity and has left the Science, Art, and Music areas strained to meet growing needs. Potential land developments and increased home construction within the district will add to the normal

growth of 25 to 30 students per year.

The building program would mean an approximate increase of .39 per \$100 of assessed valuation based on a 4 3/4 per cent interest rate with bonds being retired over a 12 year period.

Hart also reported that the polls will be open on Saturday, December 11, 1971 from 12 o'clock noon to 7:00 P.M. Voting will be at the Grass Lake School on Grass Lake Road.

Post Office Lengthens Saturday Hours till Christmas

The Post Office will have longer Saturday hours the next two weeks in preparation for the Christmas holiday. Postmaster Walter P. Barnas said that "The cooperation of the people in getting their cards and parcels mailed early

will assure them of a speedy and careful delivery."

On December 11 they will be open from 8:30 a.m. to 5 p.m. and on December 18 from 8:30 a.m. to 5 p.m. This will include all the postal services that are available during the normal week days.

MENTAL HEALTH ASSN. MEETS

The meeting of the Antioch Mental Health Association was held on Dec. 6th at Lorenz'. A letter of appreciation was read from Grove School in Lake Forest for a donation of \$2,500 from the Association.

Present officers were asked to remain for a second term. They accepted. Officers are: Pat Lorenz - President; Dolly Spiering - Vice Pres.; Edna Heins - Secretary; Ruth Jedele - Treas. and Irene Hahn - Publicity. Dues were received from members.

A motion was made and carried to pledge to Lambs Farm \$2,000 per year for the next 3 years. An additional \$2,000 was given to Lambs Farm for this year.

Plans for the 1972 Cotillion were discussed.

A motion was made and carried to pay expenses of sending four retarded children to summer camp in Long Lake, Ill.

RESCUE SQUAD DONORS

Recent donors to the Antioch Rescue Squad Fund are: Don and Diane Poulter, James E. Lomax, Mr. & Mrs. F.L. Schneider, Art & Selma Trieger, Matt Nolans Resort, Mildred H. Piance, Don and Sharon Blackman, Kennedy Kanable, Mr. & Mrs. Wm. Shute, John Stecher, North Shore Imp. Ass'n., F.W. Olsen, Mr. & Mrs. G. Kunze & Mary Blue, Frank J. Wais and Rose Ridolfi.

Allan Kirkwood, Mrs. Marie Zima, Mr. & Mrs. R. Schleusener, Donald Purfeerst, H.J. Neuman, Rose Borovicka-Memory of Fred Rosa, Mr. & Mrs. Frank Knoll, Charles Schuth, Mr. & Mrs. H. F. Mueller, Thaddeus Kowalski, Kings Drug Store, Mr. & Mrs. Fred Koch, Mrs. Rose Schaffer, Mr. & Mrs. Joseph Dvorak, Frank Syzynecki, Bob Wilett, and Antioch chamber of Commerce.

Cal & Marian Harden, Lucille & Edgar Simonsen, Mr. & Mrs. Wm. Hovens, Bruce Stahmen, Mr. and Mrs. Ray Lorenz, Helen Connell, Mr. and Mrs. Irv. Elms, Evelyn & Ed Strang, Mr. & Mrs. Fred Elam, Mr. and Mrs. Irving Carey, Mrs. Ray Lorenz Sr., and Mr. and Mrs. Earl Pitman - all in memory of Esther Wilton.

Mr. and Mrs. John Johnson and Mr. & Mrs. Richard O. Pierce, Mr. Alfred Jones, Mr. Robt. Zimmerman and Judy, and Miss Mildred Zimmerman - all in memory of Fred Warner. H. J. Kubicki.

Carl & Mildred Nader, Mary Rose Griffin, Mr. & Mrs. Robt. Webb, Jane & Wm. Meyer, Marguerite Nelson, Ollie & Janice Hunt, Mr. & Mrs. Walter Henning Jr., Mr. and Mrs. Walter Henning, Sr. and Mr. & Mrs. Donald Purdy - all in memory of Esther Wilton.

EDITORIAL

In Memory

It was with deep sadness that we of the Antioch News received the news of the passing of FATHER HENDERSON. Not only is this a great loss to the Church he served so well, but also to the community as a whole.

No one could have lived in Antioch for too many years without coming into contact with this vibrant and vital man of God. Through his efforts to project his Church and his beliefs he touched most everyone in our community and all were better for it.

Although no man is irreplaceable, the memory of some remain with us a great deal longer than others.

In Father Henderson's case, someone will replace him and carry on his work, but his memory will be with his Church and the people of Antioch for many years to come.

Student Responsibility

No one likes to face the hard facts of reality, but there comes that time and it's upon us here in Antioch. Our students and our children have the same problems as we have been reading about in other communities. The use of drugs by high school students is not new, but to Antioch it is somewhat of a new experience.

The most recent case concerning the use of drugs by our high school students should bring this point home. As yet we do not have a big problem, in fact at present it is very small, but it is there and we as parents must be aware of it.

What can be done concerning the drug problem? Our schools require classes on drugs and their effect, and through the various communications media, such as TV, Radio and Newspapers most parents are aware of what the problem is. Now why do we find a small group of students using drugs in our schools?

I find it hard to believe with all the facts that are known concerning drugs, that any student does not know the harmful effect drugs can have. So to a great degree the responsibility of their problems must rest with the student, even more so when the students involved are sixteen or older.

To be sure the schools and the parents must do their part and if possible even do more to help.

When a student decides to make use of drugs, I feel they know what they are doing and so must take upon themselves the price they will have to pay for the use of such drugs, and not pass off the responsibility to his parents or society as a whole.

If you parents suspect that your child is taking drugs - DON'T buckle under. Stand your ground and take action. You harm your child by keeping silent.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

BALLOT DESIGNED

FOR

HOSPITAL PROMOTERS

The ballot as published in the legal notices regarding the tax supported Countryside Hospital seems very misleading to others and myself. Although I realize it is legally correct the ballot gives the impression that only a .075% tax will be levied which is not true.

In addition to the .075% hospital "operating and maintenance" tax, passage of the referendum would also allow a 1½% tax levy "...providing for the creation..." of a hospital district. This tax, as any mathematician will tell you is TWENTY TIMES greater than the .075% shown, but the 1½% also authorized, if the tax referendum passes, is not specifically mentioned on the ballot.

No wonder there is a credibility gap between the taxpayers and the politicians of this state.

Sincerely,

Peter B. Verke

Calculation: $\frac{1.500\%}{.075\%} = 20 \text{ Times}$

OPPORTUNITY TO VOTE

We will have the opportunity of voting this Saturday, December 11th regarding the proposed new Countryside Hospital to be built at Cedar Lake Road and Rollins Road.

This hospital will serve many people, and would open with 150 beds - with facilities to enlarge to 300 beds. A nursing home is also proposed to take care of 100 people, and will be built across the street from the hospital.

People have been opposing the hospital on the grounds that 4 Townships would be taxed for it, while people from other areas would be able to "enjoy" its benefits. For many years, our area hospital needs have been served by Waukegan and Libertyville - and no doubt Antioch people, those from Lake Villa and Round Lake have been crowding Waukegan and Libertyville area people in their hospitals. Isn't it about time that we had one of our own close by?

The names of the men who are backing this venture are beyond reproach. The Antioch Clinic, Doctors, Dr. Abderholden, Dr. Bucar, Bill Brook, etc. - all men who have worked hard for our community and our people, and they recognize the great need for this new hospital facility.

If a "stranger" comes to the hospital door needing help, I hope that our local tax payers are benevolent and loving enough to be happy that a sick person, someone in need, is getting care ... and not chirp out ... "I'm paying \$10 per year for that hospital on my tax bill ... what's he doing in our hospital!"

Our population in West Lake County is growing rapidly. The need for additional hospitals is

ANOTHER PLUS FOR THE STUDENT

I'm sorry this letter did not accompany the others written last week in reply to Mrs. Connor's comments on the 8th grade Fine Arts Show presented to the parents on the evening of November 16 at the Upper Grade School. I did not read the article until Monday after Thanksgiving and because of other commitments did not get my letter written in time for publication.

I had an opportunity to see the show during the rehearsal stage when I visited the school during National Education Week and was overwhelmed even then at the talent of these youngsters, but doubly so the night of the final performance. It was obvious that weeks of planning, preparation and rehearsal went into the production and a great deal of extra effort on the part of the teachers and cooperation and teamwork on the part of the students to produce such a smooth-running performance. But not until after reading Mrs. Connor's letter did I take the time to really look behind the scenes to see how it all came to pass.

At the beginning of the school year the teachers of arts, crafts, and music presented to the 8th grade students the idea of putting on a show which could include all areas of the Fine Arts Dept. The teachers presented several ideas to the students, which were quickly rejected. The students themselves came up with the War and Love theme (whether we as adults like it or not, this is what they are thinking about), and since this was to be "their" show, the final decision was made by them (the students). These classes involved about 60 students who worked in committees researching in the school library using quote books, history books and encyclopedias; selecting the music to be used; deciding on the lighting and visual effects; and working on their drawings and paintings relating to the theme. The teachers acted as advisors, helping them with the arrangements of the music, the lighting, and coordinating their ideas into some sort of sequence. The planning took 4 weeks, then 5 weeks for rehearsal.

After nine weeks of hard work the students presented their show to all the students in the school, then to their parents. (I was advised of the

show the Thursday before November 16 that we were invited that evening to see it. I immediately asked if we could bring our younger daughter, and after checking with the teacher, I was told, yes. I had been in the A-V room and knew of the limited seating. The parents were informed of the performance in plenty of time and if they weren't it was not the fault of the school but that of the child who failed to relay the information.)

My only regret is that more parents of the students who did the art work and research and other behind the scene jobs were not there to see the show. (Most of those parents of the students in the finished performance were in attendance.)

I found nothing in the show that could be interpreted as offensive or usurping my parental role as moral, ethical and spiritual leader of my children, nor do I feel it increased the generation gap, but rather, opened the door to better communication. I do not feel our children were damaged in any way by viewing the show or by their participation in it. On the contrary, I believe the experience has made them grow in self-confidence, maturity, understanding, responsibility and the ability to work as a member of a team. Isn't that after all what we really want for our children - that they grow to be mature, responsible adults who are able to get along with others?

The students were very proud of "their" show and rightly so! A fine performance! The synchronizing of the lights, the creativity displayed in their drawings, the poise and serious demeanor with which the narration was given. The nine girls in the chorus sang without accompaniment, (they sounded like 29 instead of just 9), the arrangements were excellent. When they sang counterparts of "The Marine Hymn" and the "Caisson Song" they sent chills up my spine and brought tears to my eyes.

I'm very proud of these students - we should all be, and I give my thanks to those teachers and others like them, as well as our administrators, for giving our children the opportunity to think for themselves, be productive and creative, and use their talents towards a single goal.

Sincerely,

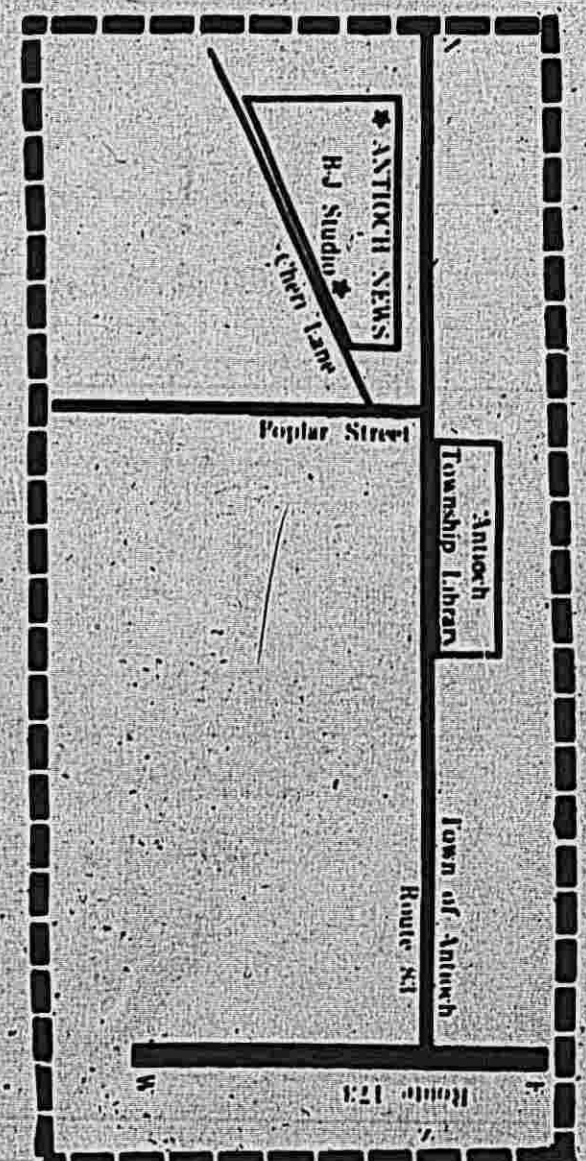

(Mrs.) Patricia Thamerus

great! Driving 50 miles round trip to Waukegan doesn't make sense for hospital and lab tests, when for a mere \$10 or so a year - we could have an excellent facility close by.

You may not need hospital care now - but might be happy that there is a close facility for you in the months ahead ... and the life Countryside Hospital might save some day, could very well be yours.

Fran Reeder

Because of the many inquiries as to the new location of the offices of ANTIOCH NEWS, the above map will help you find

Police Uncover Small Arsenal

While performing a routine patrol in the early hours on December 4th, Antioch Police discovered a small arsenal of weapons and ammunition after stopping a motorist for speeding.

The firearms included a Nambu 8mm pistol, a .38 caliber revolver, a Colt AR15 .223 caliber hand gun, and two Winchester shotguns.

According to police reports, Russell C. Anderson, 27, of Ingleside, was stopped at 3:58 a.m. for doing 63 m.p.h. in a 30 m.p.h. zone near the city's downtown business district.

When he could not produce a drivers license he was escorted to the station where a routine search uncovered the firearms and ammunition.

Anderson allegedly told police that he was going hunting, but he was booked and charged with unlawful use of weapons. Since the method

of transportation violated state gun laws.

Four of the weapons were uncased and lying on the back seat of the car. One, a .38 caliber revolver was loaded. In addition to the four guns, a large quantity of miscellaneous shells and hand gun ammunition was discovered on the back seat.

Police also found a 8mm Japanese pistol in a paper bag near the driver's feet in the front of the car.

Besides the charge involving the guns, Anderson was also issued a ticket for speeding and had his car impounded because of his failure to have license plates.

On Sunday, he was able to come up with bail and was released.

A court date has been set for Wednesday, January 26th, in Fox Lake at 1:30 p.m.

POLLING AREAS for HOSPITAL VOTE

ANTIOCH TOWNSHIP

Hospital Precinct No. 1

Consists of that part of the Township of Antioch that comprises all of precincts No. 1, 2, and 5. Polling place for Hospital Precinct No. 1 shall be at the Antioch Village Hall, 874 Main Street, Antioch.

Hospital Precinct No. 2

Consists of that part of the Township of Antioch that comprises all of precincts No. 3, 4 and 6. The polling place for Hospital Precinct No. 2 shall be at the Emmons School, Route 59 and Beach Grove Road, Antioch.

Printing and newspaper work came early to Harold Gaston. His father was the editor and publisher of The Antioch News for 17 years and previously had been publisher of The Richmond Gazette. When Harold moved north with his family he already had a working knowledge of newspaper work. When his father passed away in 1943, Harold helped his mother, Mrs. Homer Gaston, put out the weekly issues until her retirement in 1968.

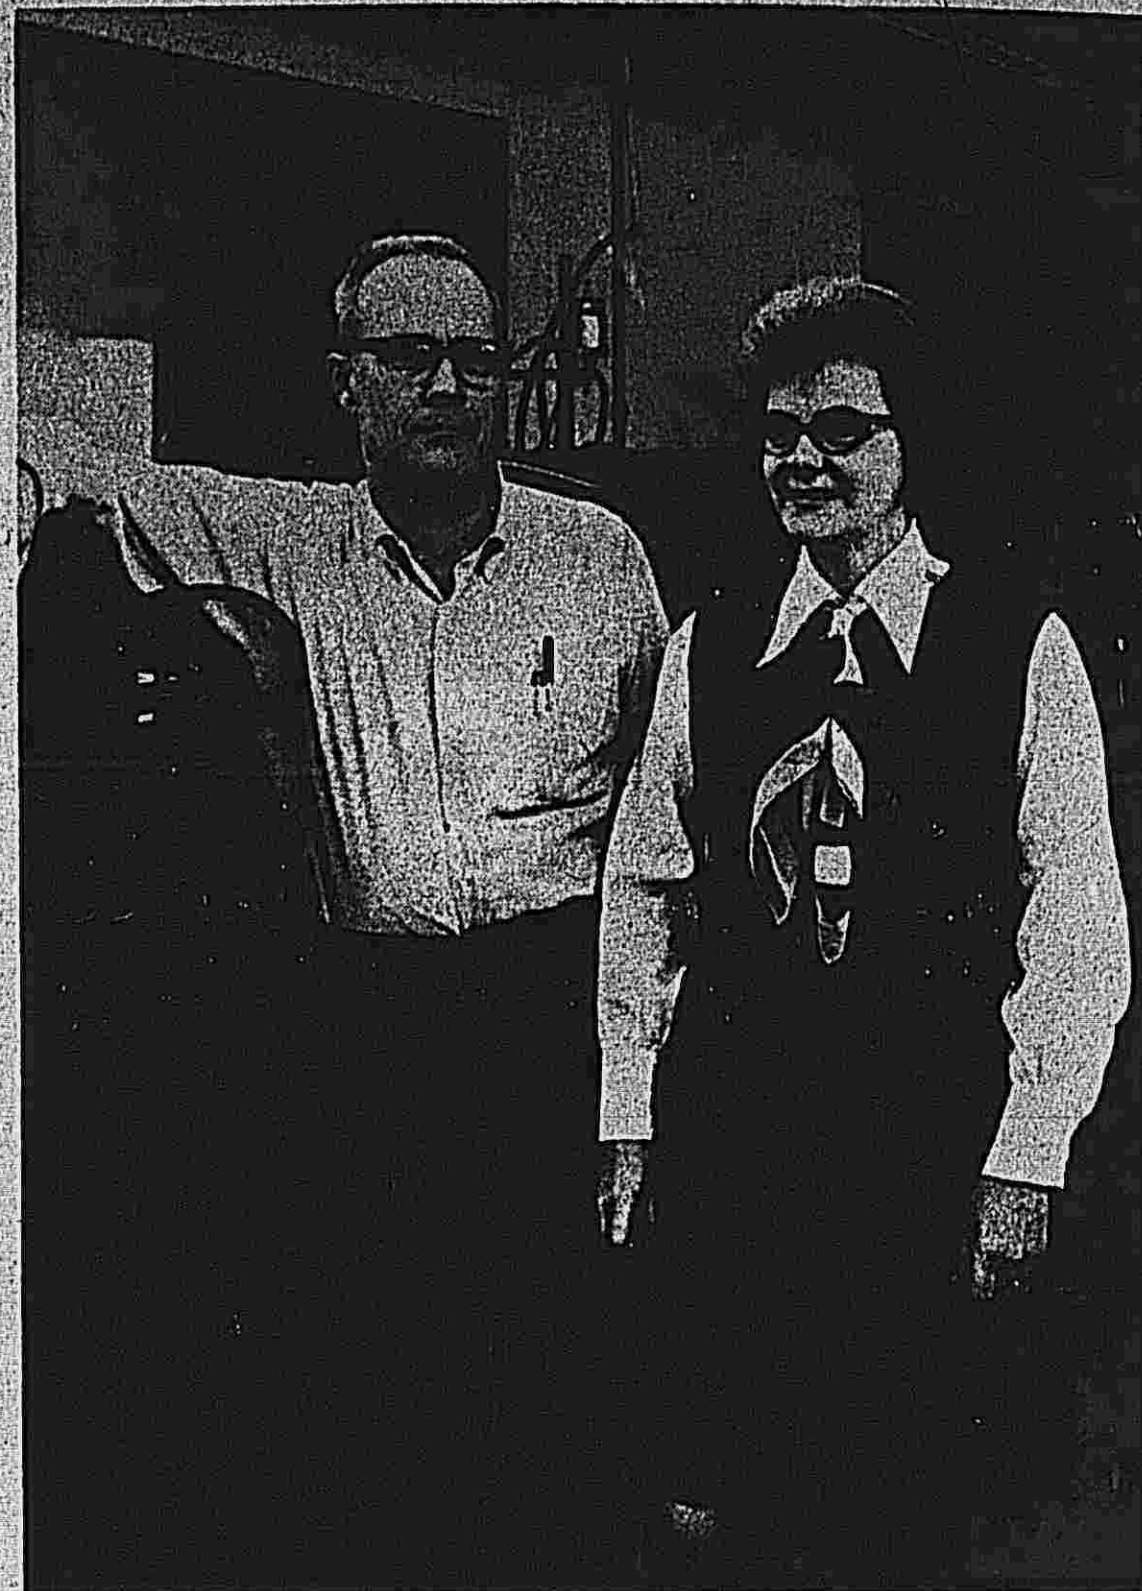

Harold and his wife, Millie, were married in 1943 and have two children. Richard 16, attends Antioch High School and Ellen, 21, is a senior at Knox College and will graduate in June.

Harold and Millie learned that being the owners and publishers of a newspaper requires more than just good intentions. Sometimes it takes guts and the courage to stand by your convictions.

One year, not too far back, the Gaston's were faced with the problem of endorsing the candidates for office. After making their choice an apparent hard loser threw a football-sized rock through the windshield of their car.

After many years of devoted service to the community, the Gaston's sold the paper in June of this year in order to devote full-time to their printing business.

Harold and his wife, Millie,

(Staff Photo)

The Gaston's

have been active in community organizations for many years. Millie is a member of several woman's clubs and Harold belongs to the Antioch Chamber, Lions and Masonic Lodge.

Harold proved his skill as a mechanic and engineer when he helped build the back addition to his office on Victoria Street. In 1965, when the News moved to a new office, Harold disassembled, moved and reassembled every piece of machinery in a week. A tremendous feat when you consider that the newspaper did not miss an issue.

Fishing is the hobby that keeps Harold from bogging

down during the long winter months. A look at the 18 pound Northern mounted on a wall in his shop is testament to his skill as an angler.

In his younger years, Harold raced hydroplanes propelled by 125 cubic inch motors. He often competed in races held on the Mississippi River and won a trophy occasionally.

In their new endeavor at the A & B Printing Service, Harold and Millie think of their product and not entirely about their profit. Harold stated, "when people want a good job done they come to us. I won't have my name on anything that isn't quality work."

Give a Picture-Perfect Christmas Gift.

Give our Portrait Gift Certificate. It makes an *unusual* and treasured gift for the people you love—for people you want to remember with photographs.

Our Portrait Gift Certificate is a *personal* gift, ideal for almost everyone on your list—from the person who is hard to buy for, to family, friends, and relatives, to the "high school" sweetheart.

Come in today and order Portrait Gift Certificates for those you love. A fine portrait makes a lasting gift, and isn't that something you'd like to give. Or receive.

Our Portrait Gift Certificate can be applied toward a portrait sitting or prints from negatives in our files. Gift Certificates are available in all denominations to fit any need, any budget.

County Elected Officials Seek Wage Increase

According to Lloyd "Red" Murrie, Antioch Township Supervisor, a five per cent pay boost has been requested on behalf of the Lake County elected officials.

The pay increase will require an additional \$250,000 from a county budget that had already been approved, prior to the wage demands. The proposed raises would mean a substantial deficit. The County Board of Supervisors will be faced with

passing an emergency appropriation to be presented at the next County Board meeting on December 14th.

Murrie stated that one solution to the County's new financial woes would be to raise tax on corporations from .8 to a .93 figure. Revenue from this proposal would be approximately the quarter of a million dollars that the pay hikes would require.

ANTIOCH COMMUNITY HIGH SCHOOL CHORUS

The Fine Arts Department of Antioch High School will present the Annual Christmas Choral Concert, Sunday, December 19th at 8:00 p.m. in the Auditorium.

Appearing in the concert will be the Freshman Girls' Chorus, the All School Chorus, the Madrigal Singers, and the A-Cappella Choir. Approximately 160 students will take part in the evenings program. The Choirs are under the direction of Mr. Ralph G. Brooke.

A program has been planned that should be enjoyable to everyone. The A-Cappella Choir will present two numbers from Handel's "Messiah", a new song "Jazz Gloria" composed in the jazz idiom with instrumental accompaniment, and traditional Christmas Carols.

Admission is \$1.25 for Adults, \$.75 for students. Tickets may be purchased from any member of the Vocal Department.

ACHS WILL PRESENT ANNUAL CHRISTMAS CONCERT

The Fine Arts Department of Antioch High School will present the Annual Christmas Choral Concert, Sunday, December 19th at 8:00 p.m. in the Auditorium.

Appearing in the concert will be the Freshman Girls' Chorus, the All School Chorus, the Madrigal Singers, and the A-Cappella Choir. Approximately 160 students will take part in the evenings program. The Choirs are under the direction of Mr. Ralph G. Brooke.

A program has been planned that should be enjoyable to everyone. The A-Cappella Choir will present two numbers from Handel's "Messiah", a new song "Jazz Gloria" composed in the jazz idiom with instrumental accompaniment, and traditional Christmas Carols.

Admission is \$1.25 for Adults, \$.75 for students. Tickets may be purchased from any member of the Vocal Department.

Along the Way with *Annie Mae*

The beloved Pastor of St. Peters, FATHER HENDERSON, was laid to rest last Friday. Old friends from many far away places came to pay their last respects. Among them were FATHER HOOD & his wife MARLO formerly of St. Ignatius Church here in Antioch. Over 50 priests and CARDINAL CODY also were present. A final tribute to a wonderful man.

Bet it was a "first" for many parents and grandparents to ride in School busses last Sunday. The shuttle bus schedule back and forth to the Upper Grade School for the 18th annual Christmas Band Concert seemed to work rather quick and we didn't have to fight the mud.

As usual the concert was good, MR GEORGE OLISAR was his charming self, and it was fun to pick out "my kid" up on the stage. Listening to the holiday songs helped set the mood. With our recent "spring" rains its hard to realize that Christmas is about 1 1/2 weeks away.

Get well wishes to Charlie Ferris who is in the hospital and to Mrs. Jo Wohlfeil, who will be in Lake Forest Hospital until Christmas.

High School sports spelled SUCCESS this past weekend. The basketball team won both games all the way down on Friday and Saturday night and so did the Wrestling team take two wins.

On Wednesday Dec. 8 the CERMAKS' journeyed to the Millionaires Club in Chicago for the Real Estate Board Christmas Party. CHARLES AND MITZI then stopped and saw Mitzi Gaynor at the Mill Run Playhouse.

Tonite December 15) the Upper Grade School CHORUS will present their Christmas

concert. Curtain time is 7:30 p.m. A call to the school informed us that there will be the usual parking at the Upper Grade School.

On Saturday, December 11, the PM&L put on a special performance of KING ARTHURS SWORD for a very attentive audience of over 100 trainable children of the Special Education District of Lake County.

Pop was served and Jolly Old St. Nick (alias AL BUCAR) passed out candy canes donated by the State Bank of Antioch. Everyone had a wonderful time.

We have several birthdays to remember this week. First a little belated 'happy' goes to JAN ANDERSON on the 12th, and BETH HALEY on Dec. 13th, and to 4 year old ANNETTE WATSON who celebrated on the 14th.

A special birthday hug goes to CLARENCE SHULTIS who

celebrates 75 years today, December 15. Clarence and his wife have made it possible for many children to have a little Christmas when they otherwise would have had none. Our little 'news nut' tells me they have started on the next years toys already and have a good start on toys and dolls. Don't forget them throughout the year when you are doing your cleaning.

Happy Birthday to NANCY RENTNER on the 15th, ELAINE PALM, JACKIE TOEPPER on the 17th, and PEG LEIDER and JIM FIELDS on the 19th.

The Junior class held a Marathon Volley Ball game to raise funds for the Junior Prom. They started on Friday night and lasted until Saturday night. At the finish only Sandi Stewart, Wendy Ericksen, Alice Burnette and Ken Boucus were around the net.

Last Monday, December 5, FRANK ReCUPIDO and his wife MARGARET gave a Christmas party at the Millionaires Club at Golf Mill. The dinner party for his friends and officers of the First National Bank left nothing wanting. Among those attending were MR & MRS WOODS, MR & MRS

DANIELS, MR & MRS KEONEG, MR & MRS CLEVEN, MR & MRS PALM, JEAN IRVING, MR & MR MOTTO and PAT CLAVEY.

Speaking of the First National Bank; they had a busy week last week. What with the above mentioned Christmas party on Monday, the Champaign Breakfast on Wednesday and their own Christmas party on Saturday, the week surely went fast.

214 people attended the Champaign Breakfast on Wednesday. The hot breakfast was delicious and efficiently served and the "juice" extremely appetizing. Everyone was in a jolly mood.

On Saturday the officers and employees Christmas party was held at Patys Lounge, with dinner and dancing. The ladies

all received a lovely Christmas corsage. 45 people attended.

Sounds like the Lions Christmas party was a huge success. Seems like we have a group of would be farmers as Bantam chickens and live ducklings were exchanged for presents along with bird seed. Elmer Pett arrested Lou Crawford for non-support of his wife. Everyone had a ball.

Here's dreaming of a White Christmas,
Annie Mae

DINING GUIDE

ANTIOCH NEWS WEDNESDAY DECEMBER 15, 1971

antioch country club

Many area people have the erroneous impression that an evening of dining and entertainment entails travel. This is quite a puzzling proposition, considering that Antioch is the site of one of Lake County's finest diversified dining and recreational complexes. **THE ANTIOCH COUNTRY CLUB.**

While perhaps primarily known for its excellent and challenging 72 par golf course, The Antioch Country Club offers a wide variety of activities.

The enchanting candle-lit dining room offers a warm decor and is lent a special touch of elegance by the many original oil paintings, which grace the walls.

Included in a lavish menu is a special "Sunday Morning Brunch" Breakfast, complete with all the conceivable trimmings is served on Sunday from 11 a.m. to 2 p.m.

Snowmobilers will find a spacious 255 acre rolling and wooded course to delight their riding. The club provides snowmobiles for \$12. an hour and invites those who have their own to run free, providing they register and have proof of insurance.

The cold weather aficionados will be able to warm themselves at the Clubs' lounge. Special hot drink, including Irish Coffee, Hot Toddys, Hot-Buttered Rum and Negus; an exotic mixture of Port wine, sugar and hot water topped with nutmeg.

Entertainment on Friday and Saturday nights is provided by the Versalaires; a group whose name suggests their musical talents.

The Antioch Country Club is unique in that it possesses its own resident theatre. The next production for the talented group is "Barefoot in the Park", which opens December 17th. Curtain for the Friday and Saturday show is 8:30.

Should the theatre-goer wish to dine at the club, a combination ticket for dinner and the theatre is available by calling Jeff Santino, at 312-395-3000 for reservations.

In keeping with its stance on family entertainment the Club in addition to "Barefoot" plans a special Children's Theatre. Several enchanting plays for the youngsters will commence with "Jack and the Beanstalk".

First showing is on December 26th with performances every Saturday and Sunday, through January 16th, at 2 p.m. Special presentations will run the week of Christmas, December 28th through 31st, also at 2 p.m.

American Legion Auxiliary News

On December 15, 1987, the Illinois American Legion Auxiliary opened a small, non-profit shop in Chicago's Loop area, known as the Veterans' Craft Exchange. This shop was first managed by a disabled veteran assisted by volunteer Auxiliary members. Its purpose was to aid handicapped veterans in exhibiting and disposing of handicraft articles made by themselves or their dependents. The Exchange opened with 90 exhibitors. Today they number approximately 300 from 36 states. This necessitated in their moving to larger, more attractive quarters located at 30 West Washington St., Chicago 60602.

A fine assortment of hand made articles are displayed there. Basketry, crocheted and knitted baby bonnets, sweaters, booties, mittens, stuffed animal toys, beautiful ceramic and plastic jewelry and hand-tooled leather goods are among the large variety of items available to the general public. Mrs. Logan Kennedy, Waukegan No. 548, 10th District veteran's craft chairman, states that the most popular of these veteran made articles are the rugs woven by blind veterans. Materials used for the rugs are prepared and donated by Auxiliary Units.

Mrs. Kennedy suggests that many of these craft articles would make excellent Christmas gifts. The articles are on sale on a year round basis, but are especially stressed at Christmas time. The American Legion Auxiliary acts only as an exhibiting and selling agent for the goods these disabled veterans make. The entire profit realized goes to the handicapped exhibitor.

Donations to the Veterans' Craft Exchange, the only shop

of it's kind in the nation, are made by Auxiliary Units throughout the state, and are used only for the maintenance of this Exchange. All the workers there are volunteer Auxiliary members. Every Unit sells veteran craft articles, and anyone wishing further information, or desiring to purchase any of these items, should contact the local veterans craft chairman.

Mrs. John L. Horan is the Antioch Unit chairman. She says that the Antioch American Legion Auxiliary would welcome donations of clean, useable materials to be used by blind veterans in weaving or braiding their rugs. Mrs. Horan also said that the Antioch Unit has contributed to the maintenance of the Veterans' Craft Exchange for many years.

HOMETOWN NEWS

PVT. JAY M. DAVIS

Marine Pvt. Jay M. Davis, son of Mr. and Mrs. John S. Davis of Route 1, Antioch, Ill., graduated from recruit training at the Marine Corps Recruit Depot at San Diego.

He is a 1971 graduate of Western Illinois University in Macomb.

PVT. DALE A. GLEN

Army Private Dale A. Glen, son of Mr. and Mrs. John A. Glen, Rolling Meadows, Illinois, recently arrived at Ft. Lewis, Washington to begin eight weeks of Basic Training at the U.S. Army Infantry Training Center.

He will receive instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army

AL HAHN IS BLACKBURN BAND MEMBER

Al Hahn of Antioch is a member of the Band/Ensemble at Blackburn College in Carlinville, Illinois. The graduate of Elk Grove High School is a freshman at Blackburn. He is the son of Mrs. Bobette Fitzgerald of 300 Bridgewood Drive, Antioch.

Al plays percussion in the Band/Ensemble. The group plays at basketball games, at chapel services and for civic organizations, and accompanies the College Choir. It was featured at the annual Christmas Concert presented by the Blackburn College Choir on December 5.

history and traditions.

Pvt. Glen is scheduled to complete basic in late January. His wife, Debra, lives on Route 1, Antioch, Ill.

The 22 year old soldier is a 1967 graduate of Round Lake (Ill.) Community High School.

NTE HELD AT DE PAUL

The National Teacher Examinations will be administered on January 29, 1972, at DePaul University which has been designated as a test center.

College seniors preparing to teach and teachers applying for positions in school systems which encourage or require the NTE are eligible to take the tests.

Bulletins of information

SEQUOIT SMOKE Signals

A unique kind of fund raising project was tried by the Junior Class this week; a marathon volleyball game. Each participant was paid so much an hour by his sponsor, so they all tried to play as long as they could. As would be expected, everyone started out strong when they began Friday night but by Saturday...! SANDY STEWART, WENDY ERICKSON, ALICE BURNETTE and KEN BOUCOS were the only ones strong enough to make it to the end. They played twenty hours before giving up! Bet they don't have the urge to play volleyball for a while!

Congratulations to the members of the Silver Bell Ball Court. They are: KATHY KAMINSKI, JUDY SOKUP, BARB MASON, LYN KANKA, SHARRON MORGAN, LEE BOLTON, BILL SEVERSON, BILL JANSSEN, KIRK DALGAARD, and DAVE DONICA. The king and queen

will be picked from this group at the dance which will be held Wednesday, Dec. 22 at 8:30 p.m. in the high school cafeteria.

There have been many injured people walking or hobbling around Antioch lately. We are glad to see that KEVIN WEEKS is back in school after he was seriously injured in a car accident and that CAROL ORBANK, is out of the hospital where she had to have several tests taken to find out the reason for her extremely high temperature. Among some of the more unusual accidents at school are the ones involving TOM CRANER, and MIKE AMENT. Tom put a bullet in his finger while hunting and MIKE broke his hand when he hit a door.

The ACAPELLA choir performed at two of the area churches on Sunday. They sang at the Evangelical Free Church and St. Stephens Church in preparation for their Christmas Concert next week.

Friday was all school testing day at Antioch. The freshman, sophomores, and juniors took a sort of achievement test which lasted most of the day. The Seniors took a test sponsored by the Armed Forces. The girls had a lot of fun trying to figure out that test! Since this test only took half the day the Seniors had a choice of visiting the College of Lake County or pursuing their own career interests.

Those SEQUOITS are really going strong! All the teams had a perfect weekend. The basketball team beat Round Lake 62-48 Friday night and Warren 71-45 Saturday night! The wrestlers did a great job too, beating Round Lake Friday night and Kenosha Bradford Saturday afternoon. You couldn't ask for more!

Remember only ten more days til Christmas!

Missing Resident Dies 1/2 Mile From Home

Tragedy struck the Village of Antioch on Thursday, December 2nd with the discovery of the body of Henry J. Klein in a field one-half mile north of his home in the Rainbow Lake Manor Tractor Court. He had apparently died of a heart attack.

Klein had been missing since Tuesday, November 30th, when he wandered away from the tractor court and the home of his daughter Mrs. William Howard.

This was not the first time that he had roamed away. Klein, who was 79, had done this before and according to his daughter was growing more senile each day and proving hard to handle.

Mrs. Howard filed a missing person report with the Antioch Police Department, but since the occurrence was in Wisconsin the case was handled by the Kenosha County Police.

An all points bulletin was

issued and area law enforcement agencies were informed to be on the watch for Klein.

Workmen on the addition of the tractor court had seen someone near the equipment on Tuesday, but had attached no importance to it.

On Thursday a resident of the tractor court discovered tracks in the snow and called the Lake County Police.

Deputy Wilbur Marks, who had been off duty, during the period of the disappearance, answered the call and began a search.

At edge of slough

After a short time, Marks came upon the body at the edge of a slough. Klein was

clad in work clothes and a large corduroy coat, but wore only bedroom slippers. Apparently his shoes had been kept from him to hinder him from roaming.

According to a Coroner's report, Klein suffered a fatal heart attack shortly after wandering away.

Klein, who retired fourteen years ago, had been employed as a photoengraver with the Chicago Daily News for eleven years. Formerly, he had worked for the Chicago American — Sun-Times and the old Herald American.

He had moved to Antioch on February 19th of this year, after living in Lily Lake, Wisconsin for twenty years.

Fred Holbert, Auditor of the State Bank of Antioch, shows Channel Lake fourth grade students the safe deposit boxes in the vault, and explains their correct use. The students who recently toured the State Bank are, ("L to R") Melody Aronson, Tim Conklin, Cheryl Jeslow, Kim Lannom, and their teacher Mrs. Margaret Zurek.

VOTER REGISTRATION DATES LISTED

Antioch Republican Men's Club would like to remind all Antioch residents who are not registered for the coming elections that voter registration will be closed January 11 to February 10 for the February 8th election. For the March 21st primary election registration will be closed from February 22nd to March 23rd. And for the April 4th election, registrations will be closed from March 4th to April 6th. Because of the lapse of registration closing there will be a grace period of 10 days before the March 4th Closing Date.

Listed for your convenience are the registrars available in the Antioch area.

ATTENTION: Registered Voters and Taxpayers

HERE ARE THE TRUE FACTS ABOUT YOUR NEW COUNTRYSIDE HOSPITAL.

First, Though, I want to make mention that your hospital interests are represented by a board of trustees whose integrity and dedication to this great humanitarian effort are genuine. These men have unselfishly given of their time, money and energies without any remuneration. They deserve your vote of confidence.

There are many good reasons why we cannot afford to lose our hospital now. The following are just a few reasons not alone the fact that by 1975 there will be approximately 100,000 persons in our hospital area sharing your responsibility in helping you to reduce your portion of the tax district obligation.

Did you know that we have only one physician for every 3,500 persons in northwest Lake County? It is a proven fact that without a hospital it is virtually impossible to obtain new doctors.

Did you know that all the money received and spent in 12 years of efforts to obtain a hospital for you amounts to only approximately 1% of the total proposed project cost? This represents one of the lowest project research investments for any proposed hospital project in Illinois. We can show you where the money was spent and have a record of every donor. It is this same money that has enabled us to make your hospital a possibility now.

Did you know the formation of a hospital tax district will provide only approximately one-fourth of the money needed for the total ten-year proposed project? The balance of construction financing must be obtained by the hospital from earnings, federal grants, endowments and other methods of financing.

Please note all property taxpayers in our hospital tax district will receive special benefits when admitted as a patient to Countryside Hospital.

Did you know that nowhere in northwest Lake County will you be more than 10 minutes away from your hospital? The traveling time to reach existing hospitals now may vary up to 35 minutes and more.

TO HAVE THIS FINE HOSPITAL FACILITY, THE COST TO YOU, THE AVERAGE TAXPAYER, WILL BE ONLY 4 TO 6 PENNIES A DAY. CAN WE AFFORD TO LOSE SO MUCH FOR SO LITTLE A COST? The average taxpayer will invest approximately \$12 per year. If the hospital as a not-for-profit corporation needs additional operational funds to help those who are in need of hospital care, the hospital district can, if necessary, assess up to only 75 cents per thousand dollars of tax assessed valuation.

NEW SITE: The hospital site had to be moved to the only area where adequate Sanitary District facilities were available.

Yes, after so many years you now have the opportunity to see your hospital dream come true. Your hospital "YES" vote will make possible a wonderful Christmas hospital gift and security to everyone, including you and your family.

On behalf of all of the trustees of Countryside Hospital, I wish to thank you in advance for your vote of confidence.

H. C. Zerbe

Corner Cutter Contest Winner Named

Mr. Clarence Hanson of the Lake County Highway department has been honored by the presentation of the first place award for the 1971 "Corner Cutter Contest" co-sponsored by the Better Roads Magazine and the American Road Builders Association.

Hanson provided the engineering and mechanical knowledge that solved the problem of mixing pavement striping paint, for use at the beginning of each working day.

He built a metal framework that was provided with a 5 h.p. motor and chain reduction gear capable of creating a horizontal rocking motion. The paint drums are loaded on the mechanism in the afternoon and by means of a pre-set time clock are mixed automatically from 4 A.M. to 7 A.M. The paint is ready for use when the men report for work later in the morning, saving the cost that would be required for one man to do the operation.

Because of the recognition and publicity given to the Lake County Highway Department, they have received inquiries and requests for information regarding the paint mixing apparatus from State and County highway departments all over the nation.

Among those State Highway Departments who have expressed interest in the mechanism are those from the States of Washington, Kansas, North Carolina and California.

Bread Pudding

2 cups stale bread
1 qt milk (canned diluted)
1/4 tsp. salt
2 eggs
1/2 cup sugar
1 tsp. vanilla
1/2 cup raisins or dates chopped
Soak the bread in the milk until it is very soft, then mash it fine. Heat together until nearly boiling. Beat the eggs until light and add to the sugar, salt and vanilla.
When well mixed, stir this

into the bread and milk, pour the whole mixture into an earthenware (or casserole) baking dish and set into a pan of water. Bake in a slow oven 250 or 350 degrees for 1 hour or longer till knife comes out clean.

What is better than good old-fashioned BREAD PUDDING on a cold and wintry day. And so easy to make for the holidays.

Mrs. Kontos sends this recipe to us.

Popcorn Balls

5 Quarts of popped corn
Combine and cook to hard boil stage:

2 cups of sugar
1 cup white corn syrup
1 tablespoon butter
2 Tablespoon vinegar
1/2 teaspoon soda

Remove from heat and beat. May add some candy red-hots for color. Optional.

Butter hands well and make into balls. They may be wrapped in wax paper or pretty colored cellophane paper.

This recipe is from Mrs. Roblin and is a very good one for the holidays and one that the children can help with and feel a part of the festivities.

HAMMOND ORGAN SOCIETY CHRISTMAS PARTY

The Lake County Hammond Organ Society will hold its sixth annual Christmas party on Sunday, December 12, 3:00 p.m., at the Swedish Manor, Waukegan. Mrs. George Simnicht will entertain at the Hammond for the social hour and Miss Gabriel Kordas will furnish the dinner music. A program of special music will be presented by Ron Cowley

and Miss Lois Tina Schumann together on duo organs. A delightful and entertaining afternoon is being planned. Members will be awarded a major portion of their dinner expense by the Chapter. Friends and guests are welcome.

There will be no regular meeting held in December.

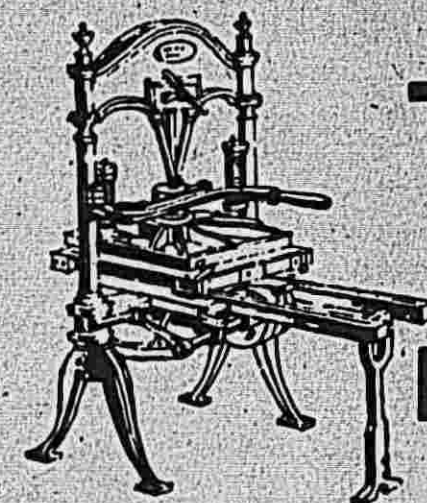

War Cake

2 cups dark brown sugar
2 cups hot coffee
2 tbsp. lard or crisco
2 cups raisins
1 tsp. salt
1 tsp. cinnamon
1 tsp. cloves
Boil all 5 minutes. Cool. When cold stir in 3 cups flour and 1 tsp. baking soda dissolved in 1 tsp. hot water. Bake in 2 loaves - 9x5x3 pans. 325 degree oven. 45 to 55 minutes. Pecans may be added if desired. MOCHA ICING

1 tbsp. butter
2 tbsp. hot coffee
1 cup confectioner's sugar (sifted)
1 tsp. cocoa
Pinch of salt
Stir together. Put on hot cake.

The War Cake comes from Millie Gaston. She says it is a good moist "spice-type" cake, and so easy to make.

Next week we will have an easy, inexpensive and festive Champagne Punch recipe for the holidays. PLUS more surprises. Don't forget to send in YOUR SPECIAL CHRISTMAS RECIPES.

The Time Machine

71 YEARS AGO, DECEMBER 6, 1900

At a regular meeting of the Court of Honor Tuesday evening the following officers were unanimously elected. Chancellor, J. J. Burke; Vic Chancellor, A. G. Watson; Recorder, C. M. Confer; Treasurer, Thomas McGreal; Physician, Dr. E. H. Ames.

The Board of Trustees have caused a new six foot plank walk to be laid on the east side of Maine Street from our office across the new bridge or stone culvert across the creek.

50 YEARS AGO, DECEMBER 8, 1921

At a meeting held at the high school last night Henry Haley was elected basketball captain of the 1921-22 squad and George Keulman was selected to pilot the 1922 football eleven.

Ad:

Home smoked hams 18-20 lb 20 cents
Home smoked bacon 26 cents

Along the Way with *Annie Mae*

Now that the lovely Christmas decorations are up all over town, we can all get in the holiday spirit. A few snowflakes would help. Also would make all those snowmobilers happy too!

The Antioch firemen, the Rescue Squad and their wives were treated to a delicious venison dinner given by Joe and Helen Sterbenz of Loon Lake. Joe is the hunter, and Helen prepares the game dinner, really superb!!

Antioch's only set of triplets celebrated their 14th birthday last Sunday, Dec. 5th. Happy belated birthday to MARY, ANNE and JOE CERMAK.

Birthdays coming up are GERRI AMUNDSON and JOAN HOULIHANS on December 11th: SUE ANDERSON on Sunday, Dec. 12: and a happy to TERRY HANSEN on Dec. 13.

a new baby girl was born to MR & MRS RANDY POLSON of Spafford St. The little girl weighed 6 lbs (Dec. 4th) and came home to join her 2 sisters, MICHELLE 4, and RHONDA 2 yrs.

Ann Kreiger and Jean Irving hosted a baby shower for Sue Ellen Johnson, of Lake Forest.

The shower was held, at Jean's house. Sue received many soft and lovely things - mostly neutral colors of yellow and green - since this is Sue and Andy's first child.

No one was more excited than "grandma" as she oh'd and ah'd over all the lovely things.

Sue and Andy are going to be watching out for that Stork to fly by near Christmas. Andy has given orders - for before the first of the year anyway.

The Rotary - Annual Wild Game Dinner was a huge success. JACK HEICK'S mother EMMA and his wife JEAN, prepared some of the meat ahead that fed some 250-300 people.

Some of the dishes on the menu made from Moose, Caribou and Venison were Moose Stew, Moose Balls, Sauerbraten, and roasts.

Some of the members of the Rotary who helped prepare the "Gourmet's Delight" were JACK HEICK, GENE

ZANNINI, KEN MAZUKKA, and BILL BROOK. BOB MOTTO did the honors of serving the meat.

The ladies of the Rotary made all the salads and yummy desserts. And to top it all off was home-made wine donated by MIKE WARREN.

A nice set of golf clubs and bag was won by AL SODEMAN, of Al's Citgo Station.

A Priest came all the way from McHenry just for the Sauerbraten and it was gone before he arrived.

With such a lovely meal, and dancing to the music of the Ralph West Revue Band, sounds like everything was just about perfect.

Get well wishes to SIGURD NIELSEN SR. of North Ave. Sig is in Victory Hospital just two doors away from HARRY WALLACE. Seems neighbors are going to stay neighbors.

Our Condolences to the people of St. Peters' Parish on the loss of FATHER HENDERSON. He will be greatly missed but long remembered!!!

You can take time out for a cup of coffee or candy bar at the home basketball games and wrestling meets. The PTA is providing a hospitality room and serving snacks at a nominal fee at the basketball games.

And the Wrestling boys

mothers are sponsoring refreshments at the home wrestling meets. Its a chance to move around and chat with the other parents over a cup of coffee.

The curtain came down last Sunday for "King Arthur's Sword." The cast party was held at the home of the Joe Hunley's and they all had a good time. They do have another performance to go yet on Saturday. "King Arthur's Sword" cast will give a benefit performance for the retarded children from S.E.D.O.L. This should make a fine Christmas gift to the children.

We hear they are already casting for the next play "Lend an Ear" which is a musical review. Got your voices tuned and ready to go?

METHODIST CHURCH PRESENTS CHRISTMAS PAGEANT

The Antioch Methodist Church School will present it's annual Christmas Program immediately following morning church services on Sunday, December 19th, at approximately 10:45 a.m.

The title of this year's program is "Every Star Will Shine" and features students from kindergarten through eighth grade performing a reading, poem or song about the Christmas Season.

AMERICANA by Don De Lillo. A successful television executive begins to film a movie which ultimately forces him to question his nature and existence.

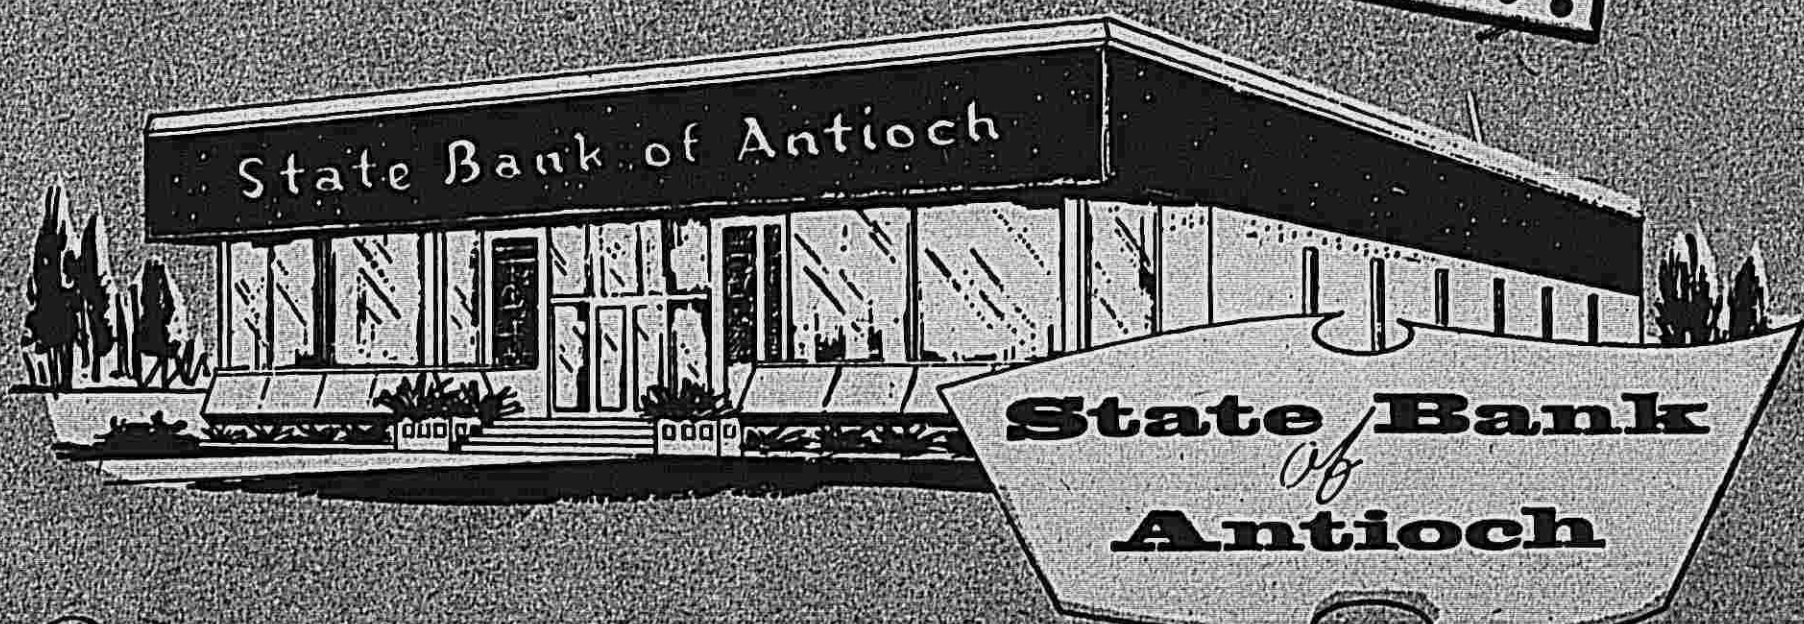

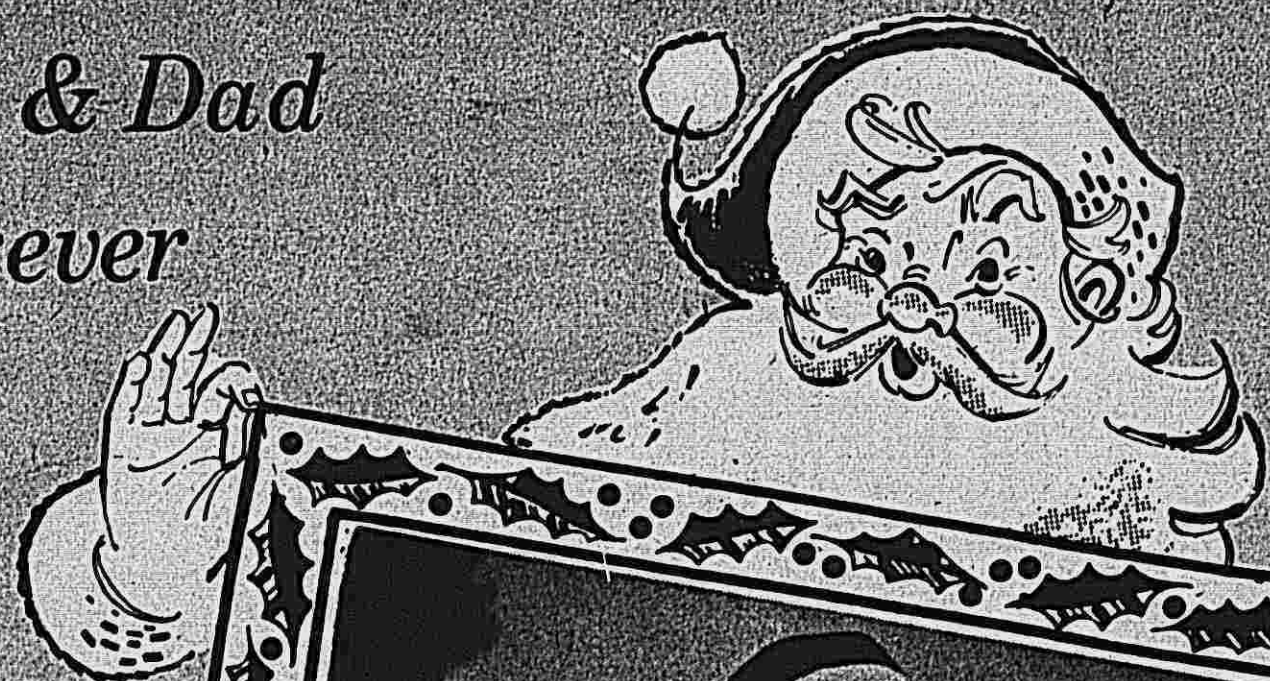

A CRY OF ABSENCE by Madison Jones. The murder of a young black activist throws a rigid Southern family into turmoil.

Library Hours: Monday thru Friday - Noon to 9:00 p.m. Saturday 10:00 a.m. to 5:00 p.m. Have you taken the time to check our fine reference library lately? Your answer is just waiting there for you.

FOUR Promoted at 1st National

Mr. L.M. Woods, President of the First National Bank of Antioch announced at the November Board meeting that the Board of Directors have promoted four employees to new positions.

Appointed to new positions are Walter Daniels, vice-president; Elaine Palm, cashier; Peter Clevin, assistant cashier and Carolyn Radtke, auditor.

WALTER DANIELS

Walter Daniels, newly named vice president, came to the First National Bank in October of 1966 from the Wheeling Trust and Savings Bank, where he was assistant vice-president.

Daniels is a graduate of the Illinois Bankers School at the Carbondale Campus of Southern Illinois University. He has also attended the Senior Bank Officers Seminar at Harvard Business School, the American Bankers Association Personnel School, Ball State University in Kansas City and is presently enrolled at the University of Wisconsin, Graduate School of Banking.

Mr. Daniels is a member of Our Lady of Humility Catholic Church in Wadsworth and a

member of the Elks Club in Waukegan.

The Daniels are a true banking family; Mrs. Daniels is presently an officer at the Citizens National Bank of Waukegan.

ELAINE PALM

New Cashier, Elaine Palm has lived in Antioch since 1946. She is married to James P. Palm. They have one son, J. Kenneth Palm.

Mrs. Palm has graduated from the American Institute of Banking Classes in Real Estate and Business Law. She is presently attending Illinois Bankers School at Southern Illinois University at Carbondale. She has been in the banking field for 10 years.

Elaine is a member of the Antioch Methodist Church, Antioch Womens Club, National Association of Bank Women and the Association of Chicago Bank Women.

New Assistant Cashier, Peter Clevin moved to Antioch in 1968. He and his wife Irene have two children, Peter and Lisa. Mrs. Clevin is a registered nurse working for Dr. Abderholden.

The Clevins are members of

PETER CLEVIN

St. Stephen's Lutheran Church in Antioch. Pete serves on the church council and is church treasurer. He is also a member of the Antioch Lions Club and Chamber of Commerce. He is presently attending the American Institute of Banking School of Business Law.

Mr. Clevin was employed by the First National Bank in March 1971 in the loan department. He was promoted to assistant cashier in November of 1971. Mr. Clevin was previously by Household Finance Co. in Antioch, where he worked for five years.

CAROLYN RADTKE

Newly promoted Auditor Carolyn Radtke was employed by the First National Bank in 1967. She was promoted to acting Auditor in November 1969.

Miss Radtke majored in business at the Antioch Community High School and was a member of the Business Honor Society for two years and an officer for one year. She is a 1967 graduate and presently attends the American Institute of Banking School.

Miss Radtke is a member of St. Peter's Church. She is the daughter of Mr. and Mrs. William Radtke of Antioch. Her hobby is painting and she has entered some of her art work in shows in our area.

Census Count from P 5

that results will be used to calculate the number of persons in the U. S who have jobs, the number looking for work, and the percentage unemployed this month, an important measure of the Nation's well-being. The survey is conducted monthly by the Bureau for the U. S. Department of Labor.

The October survey showed that the total number of employed persons increased by 320,000 (seasonally adjusted) to a record level of 79.8 million, and the number of unemployed dropped to 5.8 percent of the labor force from 6.0 percent in September.

The December survey will also ask questions about any farm work done for wages or salary in 1971 and will provide up-to-date statistics on the number of persons doing farm work.

JEDELE-URBATES

On Saturday, December 4, 1971 at 4:00 P.M. Rhoda Ruth Jedele, daughter of Mr. and Mrs. Norman Jedele became the bride of Mr. Milton Vincent Urbates, son of the late Peter and Mrs. Evelyn Urbates of Waukegan. The ceremony was held in the chapel of Christ Episcopal Church in Waukegan. Father Savage performed the ceremony.

The maid of honor was Miss Mary Dost of Antioch and the best man was Mr. Irving Alwardt of Waukegan. Mr. John Jedele, brother of the bride was an usher.

The bride's gown was floor length of white bridal satin enhanced with blue ribbon under Venice lace. The bodice was fashioned with an oval neckline and long full bishop

sleeves. The skirt was a-line in the front with back fullness with a chapel length train. The headpiece was a lace trimmed Camelot cap with imported illusion bouffant veil.

The maid of honor wore a floor length light blue crepe dress trimmed with white lace.

After the ceremony, a reception was held at the Illinois Beach State Park Lodge.

The bride graduated from Antioch Community High School and St. Therese School of Nursing.

The groom is a graduate of the University of Wisconsin. He is presently employed at the A.L. Hansen Mfg. Co. of Gurnee as a Sales Engineer.

After a honeymoon the couple will reside in Waukegan Illinois. (Staff Photo)

Antioch AARP Holds Annual Christmas Party

The officers and members of the American Association of Retired Persons, (AARP) by it's Antioch Area Chapter, No. 387, located at Antioch, Illinois will have their annual Christmas Party with a dinner to be served by the Ladies Circle of the United Methodist Church, in Wesley Hall, the rear of the church at 12:30

noon on Tuesday, December 21st, 1971.

The church is located at 848 North Main Street in the Village of Antioch, with plenty of parking in the rear of the church.

Please make reservations by December 13 so the committee in charge can have a fair count on the number to be served.

FELTERS SUBDIVISION ORGANIZES SOCIAL GROUP

The ladies of Felters Association, Felters Subdivision, have formed a social group to sponsor get-together events within the Subdivision. Regular meetings of the group will be held each third Wednesday of the month in the South Park Clubhouse at 7:30 P.M. All lady association members of Felters are cordially invited to attend meetings and take part in

planning events.

A Christmas party will be held on Wednesday, December 15, 1971 at 7:30 P.M. Everyone attending should bring a \$1.00 grab bag gift. Come one - come all.

The following officers have been elected:

Francis Tomask-President
E. Jones-Vice President
L. Mezzauo-Sec'y, Treasurer
J. Rock-Program Chairman

GAUTNEY-TAYLOR

On Saturday, November 20, 1971, Brenda L. Gautney, daughter of Mr. and Mrs. Ray Crowe of Winthrop Harbor, became the bride of Mr. Neil D. Taylor, son of Mrs. Pearl Taylor of Antioch. The ceremony was held at 3 o'clock in the afternoon at the United Methodist Church of Antioch. The Reverend Donald C. Cobb performed the ceremony.

The bride wore a floor length gown of white silk organza over a powder blue, Venise lace bodice. The bodice

had a high neckline, and long full Bishop sleeves. The skirt was semi-bouffant with a detachable chapel length train. The headpiece was a pearl and crystal crown with an imported illusion powder blue veil.

Mrs. LeRoy Bolt, the brides sister was Matron of Honor and Richard Bilski of Silver Lake Wisconsin was Best Man.

A reception was held at the V.F.W. Hall in Lake Villa.

After a short honeymoon, the couple will reside in Waukegan.

St Peter's Altar & Rosary Society Makes Big Plans

St. Peter's Altar & Rosary Society held a board meeting last week. Many things were discussed and planned for the future months.

The annual Thanksgiving clothing drive for needy people was held the past 2 weeks, and Pat Schreiber, Skip Layton, Florence Eckert and Mike Gross volunteered to sort and box the clothing.

A group of ladies from our Society under the able guidance of Mary Carney and Jerri Dost, have been driving a lady from the Lake Villa area to the hospital twice a week for therapy treatments. More volunteer drivers are needed, so if you can drive, please call Mrs. Carney, 395-3584.

The board also voted at this time Not to have a meeting in January. Usually the weather is very bad, and the ladies don't care to drive in bad weather. The next regular meeting will be February 7th.

The next topic of discussion was a report by Florence Morin. She stated that 76 lbs of homemade cookies were

delivered to the U.S.O. in Waukegan. These cookies were donated by the ladies of the Parish, and it has become a yearly tradition. Thank you to all who baked, and we know the servicemen will enjoy them very much.

As a money making project right now, the Society is selling fruit cakes for the holidays. They are very delicious, and reasonably priced. Helen Zeien is chairman, and says the 3 lb cake sells for \$3.75 and a 2 lb cake sells for \$3.00. Her phone number is 395-2269 if anyone wishes to purchase a cake. They will also be on sale after the masses on Sunday.

New Deductions

Mr. and Mrs. Randy Polson are the proud parents of a little girl born on Saturday, December 4th. Carry Ellen weighs 6 lbs. and is 18 1/2" long. Her two sisters, Michelle 4, and Rhonda 2, are looking forward to being mommy's little helpers.

Maternal grandparents are Mr. & Mrs. Steve O'Higgins of Antioch and paternal grandparents are Mr. & Mrs. Ronald Polson of Loon Lake, Antioch.

NEWCOMERS CLUB XMAS PARTY

On Saturday, December 11th at 8:30 P.M. the Antioch Newcomers Club will hold a Christmas Party at the home of Mrs. Lester Kresanek, Rte 2-Box 147J, Antioch, Ill. If you are interested in attending

please call Mrs. Kresanek at 414-857-2757 anytime prior to the morning of the 11th.

Anyone interested in joining who has been a resident in the area for less than two years is welcome. Adults only.

Santa's making lots of folks happy!

Bristol Oaks

Located 10 miles north of Antioch on Wisconsin's Rte 50 in Bristol is a friendly harbor that combines gracious dining with fine recreational facilities.

The Bristol Oaks Country Club, one of the areas premier golf clubs, is transformed into a true winter wonderland with the appearance of the seasons first snow.

The club has 12 snowmobiles for rent and for a slight fee, you can run your own over 300 acres of gently rolling snowmobile runs. Also available are several long sled runs, making Bristol Oaks a center for winter family fun.

Dining is a leisurely event at the spacious clubhouse. Entrees are sumptuous and well-prepared and include Surf and Turf, Australian Lobster and fried chicken halves. A fine selection of steaks, each prepared to your own personal tastes, is headed by Filet Mignon. Excellent domestic and imported wines compliment the elegant dishes.

The cocktail lounge can fill any request and serves special snowmobile hot drinks, sure to warm the tired outdoorsman.

Entertainment on the weekends is provided by the musical talents of Lillian Gildenstern. Lillian delights the patrons with a mixture of contemporary hits and old standards.

In warmer weather, Bristol Oaks is the site of golf's richest one day tournament. The Charmglow Celebrity Pro-Am gives area residents an opportunity to watch some of sports biggest names compete in a game they are seldom associated with.

Heading the list of celebrities this year was George Blanda, last-second hero of the Oakland Raiders. Zeke Bratkowski and Doug Buffone were only two of the many midwest sports figures who tried to make par at this years tournament.

The combination of elegant dining, warm cozy surroundings and outdoor recreational facilities make Bristol Oaks a must for those with a flair for fun.

American Legion Auxiliary News

Starting on December 15th, and continuing through December 16th and 17th, volunteer workers of the 10th District American Legion Auxiliary are urgently needed at Building Four, Downey Hospital, to address and wrap 7,500 Canteen Books, from 9:00 a.m. to 4:00 p.m. Mrs. Robert Broege, Deerfield, State Downey Hospital Director states these \$1.00 Canteen Books will be distributed to the hospitalized veterans by the 10th District's American Legion's "Gifts for Hospitalized War Veterans" program. \$7,500.00 will be spent at Downey Hospital alone to bring holiday cheer to these hospital patients. Distribution of these Canteen Books will take place on December 18th, with Auxiliary members aiding the men of the 10th District.

This program was originated in 1944 by the late Eddie Cantor and Sophie Tucker. Once a nation-wide program, Illinois is now the only state which has continued to sponsor this veteran's project annually.

More than 12,500 gifts to men and women veteran patients in VA and other Illinois hospitals are distributed during the Christmas season. The Illinois American Legion has spent in excess of \$2½ million providing this yuletide happiness to all hospitalized veterans since the inception of the program. Much of their funds comes from contributions from American Legion Posts and Units from throughout the state.

All patient's Christmas parties will be held in Bldg. Four, at Downey Hospital, on December 21st, 22nd and 23rd. There will be three parties each day on December 21st and 22nd, from 9:00 A.M. to 4:30 P.M., and one party from 9:00 A.M. to noon for all wheelchair patients on December 23rd. Extra volunteers are always needed on December 23rd to aid the wheelchair patients.

Mrs. Ray Rathmann, Antioch, district junior activities chairman, announces that the 10th District Juniors will again be singing Christmas carols on December 18th, at 1:00 p.m., at Great Lakes

Naval Hospital, and at nursing homes in the surrounding area. Juniors desiring further information should contact either Mrs. Rathmann, (395-3333) or Mrs. Bernard D.Vries, Antioch unit junior activities chairman at 395-3975.

SOCIAL NOTES

by: Del Jahneke

The Ray Rathmann family entertained the Norman Jascinski family of Roselle, Illinois; and Mrs. Edith Wenthe of Chicago over the Thanksgiving weekend. Mrs. Jascinski is Ray Rathmann's sister, and Mrs. Wenthe is Eunice's mother. 'Twas a Happy Holiday!

Officers were elected at the December 1st meeting of the Lakeside Rebekah Lodge No. 82, held at the Antioch American Legion Home. Mrs. Clarence Larson was elected to her second term as Noble Grand; with Mrs. Charles Ferris as Vice Grand; Mrs. John Hagen, Recording Secretary; Mrs. Harold Ellis, Financial Secretary; and Mrs. Walter Buchert, Treasurer. Trustees elected were Mrs. Ralph Fields, Mrs. Earl Horton, Mrs. Frieda Wertz, Mrs. Floyd Horton and Mrs. Ida Wysoglad. Installation of the officers will be held sometime in January, with the date to be designated at a later time.

Mrs. Earl Horton has enjoyed a month of activities, family get-togethers, etc., while she has had her cousin, Mrs. Lela Flynn of Chetek, Wisconsin, as her guest. Their final week together was spent at the home of Mrs. Elsie Bennin of Milwaukee. This past weekend, Mr. and Mrs. Don Railcon, Mrs. Gladys Cowen and son, Paul of Havana, Illinois, visited Mrs. Horton. Just when is this busy lady going to find time to "rest up" for the forthcoming Christmas Holidays?!

Junior Troop No. 204 of the Girl Scouts is a newly organized troop, who held their first meeting, December 3rd, at the Antioch Scout Home, with seventeen girls present. Their new co-leaders

are Mrs. Ralph Schaffer and Mrs. Jennie Frenchik. These girls are collecting canned goods to give needy families, and are planning a Christmas party in the near future, although the exact date has not yet been set. SUCCESS AND GOOD LUCK ARE WISHED NEW TROOP 204!

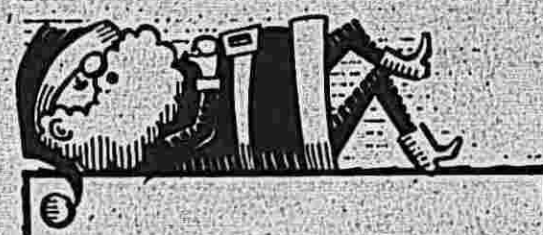

The Dr. Robert Pauletti family, Grass Lake Road, now have their third member of "Bep" Pauletti's family with them from the Netherlands. "Beps" mother, Mrs. Schuurnans - Carstens, arrived here last Sunday from Anstelveen, Holland, for a six week's visit. Bep's sister, Tina and husband Wil Neyenguizen, will still be staying in this area until January. WELCOME TO ANTIOCH!

Brownie Troop No. 187, under the leadership of Mrs. Carol Plechaty, are planning the community service project of making fudge brownies for Hampstead House, the old people's home in Lake Villa. They will be delivering these goodies near Christmas time. On Sunday, they attended the play "King Arthur's Sword" at the Antioch P.M. and L. Theatre.

Stephanie Seemann, daughter of Mr. and Mrs. Wm. Seeman, 649 Longview Drive, Antioch, is shown with her favorite buddy this time of the year....Santa Claus. Stephanie, along with hundreds of other children, had her picture taken at the State Bank of Antioch, Saturday, December 4th.

This is the twelfth year the State Bank has supplied the free-picture taking service at Christmas time. Pictures will be taken again Saturday, December 11th, from 9:00 a.m. to 12:00 noon, and from 1:00 p.m. to 3:00 p.m., in the bank lobby.

Helpful Hints for Holiday Happiness

'Twas the night before Christmas and all through the house not a creature was stirring-- mother was exhausted, the children weren't speaking and dad was fuming because his "bargain" tree was already shedding--and he hadn't even taken it out of the garage!

Sound familiar? While Christmas is anticipated with delight by most families, a "Bah! Humbug!" attitude often sets in as physical and emotional fatigue take their toll. To relieve some of this year's pressures, The Bayer Company suggests you break the season down to its six major elements and allow planning, as well as execution time, for each. Here's how:

CARD LIST

Card lists should be pruned before writing begins--there are always people on them who are really little more than the ghosts of Christmases past. Begin to write cards in November doing a couple of dozen a few evenings a week. This year you might want to experiment with the "letter" card--you write a letter bringing people up-to-date on family highlights and have it made into your Christmas card.

GIFT-BUYING

Gift-buying, the second element, is easier and faster when it is organized. Purchase a soft notebook and clip a pen to it. Devote two facing pages to each person and on the left side list all their clothing sizes; on the right side list their hobbies, sports, reading and other preferences.

SHOPPING

Shopping itself is the most tiring and frustrating part of Christmas so use all the aids you can--catalogs, telephone, the mails. Divide your shopping forays into two days and two evenings per week--but don't shop on the evenings of the days you select, or vice versa. In that way you do not continue to drive yourself when you are already under pressure and over-tired. After each shopping trip,

plan a regular rest period. Take a leisurely bath, a couple of aspirin to relieve any headache or aching muscles that might have been caused by the tensions of the day, and lie down for 15 to 20 minutes--or relax with a cup of hot tea and your feet up.

GIFT WRAPPING

Gift wrapping is best done as you go along rather than waiting until all your shopping is done. If you wait, chances are that other, equally time-consuming, emergencies will have arisen to demand your attention...and cause tensions.

DECORATING

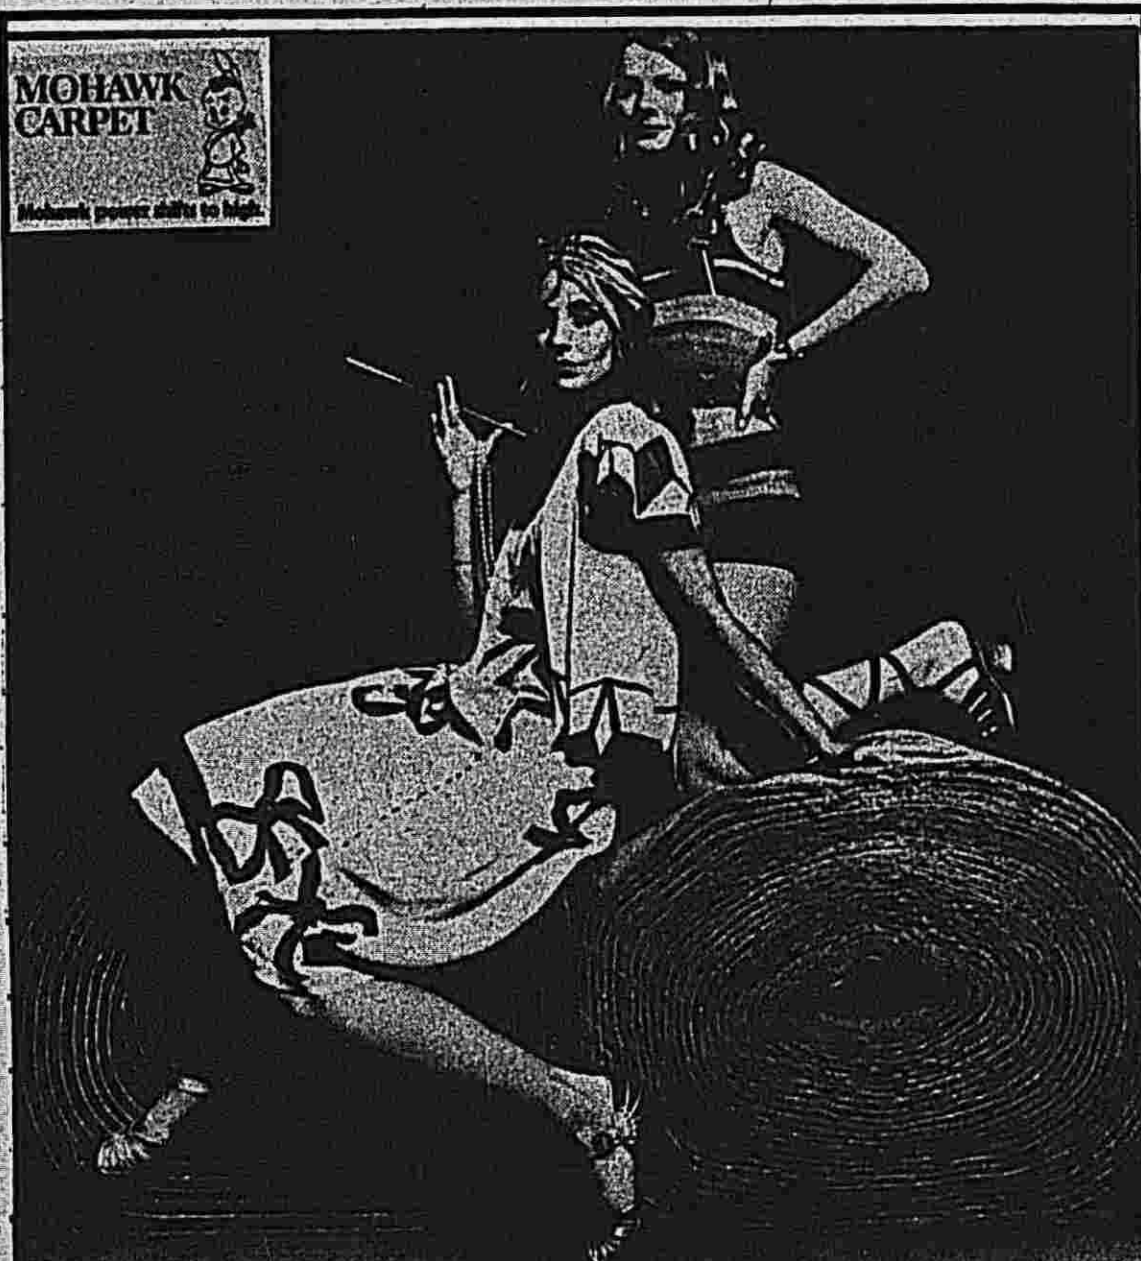

Decorating the house and garden for Christmas is one of the more relaxing elements of Christmas. When shared by all members of the family it can be a festive occasion in itself. You'll find that seasonal music

on the record player, cookies and hot chocolate are perfect accompaniments.

COOKING

Cooking is the final phase of Christmas before the fun of entertaining begins. Figure out what you can cook ahead of time to freeze: puddings, pies, sweet breads, appetizers and home-made fudge, among other things. Cookies, of course, can be made ahead in quantity and stored in air-tight containers. If the children are old enough, cookie decorating can be their responsibility--it adds to their feeling of involvement and relieves you of some of the details.

By planning these six major elements of Christmas ahead of time, relief is what you'll be feeling when the "night before Christmas" rolls around this year. You'll be relaxed and ready to enjoy Christmas Eve--amid the great sounds of happy people "stirring" in your home.

Mohawk comes up with a great old idea. Value.

SEQUOIT SMOKE STACKS

Signs of the Christmas season are already visible around Antioch High. Plans for the second annual Christmas party of the language clubs are underway. It will be held from 3:15 to 6:00 P.M. on December 20. The plans for the Christmas dance are also moving along. This year's theme is "Silver Bell Ball" and the dance will be held on December 22nd.

The SKI CLUB held a meeting on Thursday at which they were informed on the proper kinds of skiing equipment to use; if they ever get enough snow to go skiing that is!

A wrestling assembly was held on Friday. Its purpose was to explain the techniques of wrestling to some of us that really don't understand it. The cheerleaders also taught the student body some of the new wrestling cheers. I think the assembly did a lot of good.

Speaking of wrestling our team didn't do too bad this weekend. They put down the Grant Bulldogs in a very exciting meet Friday night but lost a nonconference meet against Kenosha Saturday afternoon.

The basketball team followed suit. Our SEQUOITS

whomped the top ranked Grant Bulldogs very efficiently Friday night. We didn't do so well against Kenosha Saturday night though. Thank goodness it was a nonconference game.

By the way, have you bought a new toothbrush lately? If you haven't I'm surprised because the bands and choir of the high school did a very good job peddling their product throughout the town. This was a three day project to raise money for the fine arts camp that is held every summer. Along with the money earned for the fine arts department students also received many prizes. KIM KIRCHMEYER received \$15 for the most sales, 81, in the first day and LEE BOLTON received \$10 for the second highest amount sold, 69. The project turned out to be very beneficial!

See you next week.

SEQUOIT SUZIES PLAN CHRISTMAS CAROLLING

The Sequoit Suzies held their monthly business meeting at Kathie Walsh's home on December 2nd. The 4-Hers are going to go Christmas Caroling on December 22nd at a Lake County Nursing Home. The girls practiced the songs that they will sing. The singing was led by Rosemary Scheske. Wanda Springer gave an informative talk on music and some of the great composers like Mozart and Beethoven. Diana Rentner and Leann Buchta showed the girls some ways to make their own ornaments for their Christmas Trees. All the girls brought a fifty cent grab bag gift. At the end of the meeting the girls exchanged gifts and had refreshments. The next meeting is at Leann Buchta's on January 6th.

APPLICATIONS ACCEPTED FOR GREAT LAKES POLICEMEN

Applications for Policeman at the Naval Base, Great Lakes, Illinois are being accepted, the Great Lakes Local Office of the U. S. Civil Service Commission announced today.

Policemen will maintain order and perform law enforcement work on Federal premises. Starting salaries are \$6202 per year for Policeman GS-4 and \$6938 per year for Policeman GS-5.

Applicants must be U. S. citizens; meet rigid physical standards and pass a thorough physical examination; be of good moral character; have a safe driving record; pass a written test; and have had two years of appropriate experience for GS-4 and 3 years for GS-5. Qualified applicants will receive consideration for employment without regard to race, religion, color, sex, national origin, political affiliations, or any other non-merit factor.

These positions offer career civil service benefits such as regular pay increases in recognition of satisfactory service, opportunities for advancement, generous vacation and sick leave plans, group life and health insurance, as well as a liberal retirement system.

Full information and application forms may be obtained from the U. S. Civil Service Commission, Great Lakes Local Office, Building 3400, Great Lakes, Illinois 60088, or by calling 688-2223.

Funeral services were held on Tues. at the Strang Funeral Home in Antioch. Rev Mark Lyons of Holy Name Church officiated with interment in Holy Name Cemetery at Wilmot.

VA INFORMATION

An eligible veteran who has not completed elementary or high school may receive VA educational assistance without charge to his basic entitlement.

The Veterans Administration advises every veteran who sells a home purchased with a G.I. loan to get a "release of liability" before closing the sale.

From June through October, VA increased the number of drug abuse treatment centers from five to 32, thus completing a six-fold increase announced in June 1971.

Veterans who receive an "other than honorable" discharge from military service may get applications for review of their discharges from any VA office.

Court To Rule On Special Elections Friday

In a DuPage County Circuit
Court ruling Wednesday, a suit
filed to enjoin the DuPage
County government to
consolidate its special County
Board elections with the
regular primary and general
election was upheld by Judge
Phillip Locke.

With this decision, prospects
are encouraging that the
friendly suit, Stern vs. Stern,
filed on a similar motion in
Lake County may have the
needed precedent to halt plans
for the additional two
elections, saving the County
the proposed \$200,000 tab.

cited two passages

In his decision to consoli-
date the elections Judge Locke
cited two passages from the
new Illinois Constitution.

"All elections shall be free
and equal."

"Laws governing voter
registration and conduct of
elections shall be general and
uniform."

Not the case

This would not be the case if
the special elections were
allowed. For instance, if the
elections were held on the
proposed dates Lake County
residents would have only
twelve days in which to register
between Jan 11th and April
6th.

In Contrast, Cook County
which will not hold County
Board elections this year,
would have many additional
voter registration days, leading
to speculation that the election
would not be in following with
either the spirit or the letter of
the law.

The Lake County suit will
be heard on Friday morning by
Judge Lloyd Van Deusen in the
Circuit Court in Waukegan.

Richard F. Kennedy, 1331
North Jackson, Waukegan, has
been named Lake County
chairman for the 1972 Chicago
area Heart Fund campaign.
Lake County has set a

Kennedy Heads

1972 Heart Fund Campaign

\$80,900 goal this year. Funds
will be used for programs such
as stroke rehabilitation,
cardiovascular research, home
care, adult and pediatric heart
screening and public and
professional education.

The total Heart Fund goal
for Cook, Lake and DuPage
Counties is \$1.275 million.

Kennedy is associate
publisher of the Waukegan
News-Sun and executive vice
president of Keystone Printing
Service, Inc. He serves as
president of the Carmel High
School Board in Mundelein, St.
Theresa Hospital Board and the
Northeast Council of the Boy
Scouts of America.

In addition he is a director
of the Becker House for Boys;
United Community Service,
Illinois Daily Newspaper
Markets, Citizen's National
Bank and Home Savings and
Loan Association in Waukegan;
and he serves as a trustee of
Barat College in Lake Forest.

"Mary, Mary"

The Caravan production of
"Mary, Mary" currently on
stage at Antioch Country Club
proves once again the validity
of Jean Kerr's status as one of
the most brilliant and witty of
American playwrights.

Miss Kerr's delightfully
warm comedy, as staged by the
production company known as
"THE CARAVAN" moves
across the stage in a natural
and intimate manner which,
within minutes of the opening
scene, draws the audience into
complete involvement with the
on-stage events.

Susan Boburka is the
Chicago actress who so gently,
so winningly plays the role of
the heroine. One must
understand how difficult it
might be to portray to the
audience the warmth, the
intelligence and vulnerability
of a character who masks her
real person in a defensive veil of
caustic wisecracks. Miss
Boburka does the job
beautifully.

Her inept, neurotic husband

is played by Scott Crawford. In
a role that could easily be
tiresome and irritating to the
viewer, Crawford manages to
be so sincere, so confused and
so helpless that not only does
the audience sympathize with
the poor soul, but readily
accepts Mary's love for him.
Crawford, unfortunately, will
leave the company to fulfill a
previous contractual
commitment, and he will be
replaced for the last two weeks
of the production by Bob
Boburka, Susan's real-life
husband.

If one were to search about
for the perfect ingenue, one
would, even if confronted with
a thousand, undoubtedly
choose Miss Susie Perisho. Her
portrayal of the intended bride
of our hero is impeccable. She
is graceful, charming and
innocent. Her wide-eyed
naivete is a delight to behold.

There are two more
members of this cast, and

though in terms of technicality
should be called "supporting",
they must, in terms of critical
review, be called "starring".
George Vanek in the role of
the family lawyer, bears the
mark of the professional. He is
at ease in the role. The other of
this duo is a young gentleman
named Paul Beckham. His
appearance suggests Prince
Charming-Lancelot- or Dirk
Winston, the aging matinee idol
ex-service buddy of Mary's
husband.

THE CARAVAN performs
at Antioch Country Club each
Friday and Saturday night.
Theatre prices are \$2.25 on
Friday and \$3.25 on Saturday.
Curtain time is 8:30. Should
the theatre-goer choose to dine
at the Club, a combination
ticket for dinner and theatre is
available.

Phone the theatre box office
for information and
reservations. The number is
312-395-3000.

Christmas Club Savings

Over 2 and a 1/2 Billion

Christmas Club a Corporation has released figures for the nation's 1971 Christmas Club members totaling \$2,684,784,000 in club savings during this year. Over 17,776,000 Americans opened clubs this year and saved an average of \$151 in each club membership.

This represents another record year for Christmas Club savings and memberships, according to Christmas Club Corporation, the organization that originated the savings plan back in 1910.

Over 11,000 banks and savings institutions will issue checks to members during this month when the Christmas buying season starts.

Christmas Club surveys show that although many people join just for Christmas cash, nearly \$700,000,000 from 1971 clubs will go right back into savings at the institutions where the clubs were joined and the remainder spent on Christmas presents and such expenses as taxes, insurance, tuition and vacation.

The record highs in membership and dollars saved indicate a strong plan-ahead attitude on the part of many Americans to insure a Happy Holiday Season.

18th annual Grade School Band Christmas Concert

The 18th annual Christmas Concert of the Antioch Grade School Band will be performed on Sunday afternoon, December 12, at the Upper Grade School.

Under the direction of George Olisar, the concert will consist of selections by the Prep Band, Junior and Senior Bands. All children

participating in the Grade School Band Program will be represented. This will also mark the first time the bands have performed in concert in the new Upper Grade School auditorium.

The program will begin at 3:00 P.M. Tickets may be purchased at the door and are \$.75 for adults and \$.25 for children.

Choral Concert at Salem School

A concert of choral music will be presented by the Salem Consolidated 7 & 8 grade chorus. The program will feature Christmas music from around the world, traditional carols, and sacred choral music. The audience will be invited to participate in singing some of

the familiar Christmas carols. The concert will take place Thursday, December 9, 1971 at 7:30 P.M. in the school gymnasium. The choir is under the direction of Mrs. Susan Scoville.

The Drama Club will give an original dramatic interpretation of the "Little Drummer Boy" as part of the program. Miss Hoffman is in charge of the Drama Club.

The school is located on highways 83 and County AH south of Salem.

P.T.A. Sponsors Home Game Hospitality Room

The High School P.T.A. will be providing a Hospitality Room during the home basketball games.

For a nominal fee you may purchase coffee and/or have a smoke and visit with other parents.

Signs will indicate where the room will be.

HOMEBAKED GOODS AT WILMOT SALE

A special Christmas bake sale will be held on Saturday, December 11, at the Old Forge in Wilmot, Wisconsin as a benefit for the Old Wilmot Village Association. A rare variety of home made breads, Christmas cookies and other goodies will be sold starting at ten o'clock in the morning. The sale will continue until the home baked goods are sold out.

The Old Wilmot Village Association is an informal group of merchants in the village who use the funds raised for promotion and other civic

Upper Grade School Chorus Christmas Concert

The Junior and Senior Chorus of the Antioch Upper Grade School will be giving a Christmas Concert on December 15th at 7:30 P.M. in the school gym. All are invited to attend.

betterment purposes.

In the past years Wilmot has become a real attraction for those with nostalgia for the quieter life our ancestors knew in the little rural market towns of the last century. Wilmot has six antique shops that specialize in a variety of yesteryear artifacts as well as fine collectibles in glasswares, china and furniture.

Wilmot is a town that time passed by - preserving a unique heritage of old commercial and residential buildings that have been carefully restored and furnished with rare fixtures and furnishings from the time of the community's commercial glory late in the 19th century.

Scouts Go Co-Ed

Members of Explorer Post 83, a co-educational scout group for Lake County students interested in science, met at Abbott Laboratories in North Chicago recently to elect officers and choose projects for the coming year. ("L to R") Donna Rules, Waukegan Township High School, secretary; Dave Yauch, Waukegan Township High School, vice president; Fred Kehl, Waukegan Township High School, president; Jim Gallchus, Abbott Laboratories, post advisor; Cindy Hayden, Antioch High School, secretary. For information on this new kind of scout group, call Bill Hayden, 688-7100.

Graduate Course Offered In Business Administration

Through its Waukegan Division, Roosevelt University again is offering a special graduate program leading to the master's degree in business administration, which is designed for the college graduate who seeks an advanced degree but is unable to give full time to study.

According to Frank R. Harrison, professor of management and director of Roosevelt's Waukegan Great Lakes Division, part-time graduate students may complete the M.B.A. degree requirement in as little as two years.

Although the spring term does not begin until Feb. 7, prospective students are urged to apply for admission now. Time is needed to process applications, evaluate transcripts and complete the admission test for graduate study, which is to be given Feb. 5, Harrison advised. In order to be eligible for this exam, applications must be made 30 days in advance.

Registration for the spring term will be held Jan. 17-27 from 7 to 9 p.m. at the Adult

Evening School Office, Waukegan Township High School.

Three graduate courses will be offered next spring. Behavioral Science Systems for Management will meet on Monday evenings. Wednesday evening classes are Business Functions and the Legal Environment and Scientific Techniques for Production Management. The hours for all three courses are 7 to 9 p.m.

Offered at Waukegan for the first time last spring, the Waukegan graduate program continues to expand. Last fall 47 students registered, according to Harrison.

Application forms and information are available from the Adult Evening School Office, Waukegan Township High School, 1011 W. Washington St., Waukegan, Ill. 60085; phone: 623-6162, or from Prof. Frank R. Harrison, Roosevelt University, 480 S. Michigan Ave., Chicago, Ill. 60605; phone: 341-3821.

Roosevelt University counselors will be available to assist in planning degree programs on Jan. 18, 20, 25 and 27.

MONDAY NIGHT TAVERN DECEMBER 6, 1971

Sam's Old Hickory Inn out scored Kempf's Resort by 78 pins but dropped two close games. One by 6 pins and one by 7 pins. Jack Crandall 193-(545) and Chuck Monroe 178-(519) for Kempf's.

Frank Heiselmann found good bowling on games of 216-194-232-(642) followed by Wally Ring 202-2-3-200-(605) leading the league for the evening and winning three games for The Limerick Lounge from The Village Inn of Twin Lakes. The Limerick also rolled team high series on games of 931-959-898-(2788). Norm Ross 181-(496) for Village Inn.

Harry Pavel also rolled a fine 213-176-236-(625) pace in Open Door Tavern to a couple of wins over Frank Raith 191-(522) and The Bruce and Kay's Tavern.

'Wiggy' Bolton 202-159-228-(589) led The Village Pub of Antioch to a pair of winning games over The Angels team. Gene Wagner 200-(554) for The Angels.

The Arbor Lounge came up with three nice wins over Lemars' Tavern. Jim Portalski 213-(553) for The Arbor and George Huecksteadt 191-(555), and Tom "Granpa" Griffin 198-(555) for Lemars.

A & J Bar of Camp Lake, with "Buck" Buchman leading on games of 189-186-187-(562) won three from Joe Muskat 200-(529), and The Red Arrow Team.

Lions Sponsor Men's Physical Fitness Program

The Antioch Lions Club will sponsor a free Athletic Program for men and boys beginning, Thursday, December 9, 1971. Arrangements have been made to use the facilities of the South Gym at the Antioch Community High School every Thursday evening from 7:30 p.m. until 9:00 p.m. The Athletic Program will be free of charge and is available to boys, high school age and older and young men from the community. Gym shoes or sneakers will be required.

A choice of volley-ball or half-court basketball will be available to the participants. The South Gym is large enough to accommodate the simultaneous playing of two volley-ball games and two half-court basketball games.

This will enable more than forty players to be active at any given moment. Teams will be put together each week on a "choose up" basis, combining men and boys on each team. All players in attendance will be able to enjoy an equal amount of playing time.

Peter Houlihan, Chairman of the Youth Committee of the Antioch Lions Club said, "Our purpose in sponsoring this activity is simply to provide an opportunity for high school boys and young men to get a work-out and have fun." "Allowing for two Thursdays off for the Christmas Holidays, this will give us a total of fifteen outings." "All high school aged boys, regardless of their degree of athletic ability are cordially invited to attend."

Snow Derby at Eagle River

Excitement is building in this tiny town of 1,300 plus residents, as the dates of the eighth annual World's Championship Snowmobile Derby, Jan 19-23, creep up and an anticipated crowd of more than 40,000 snow fans jam the area.

This is the Number One race on the snow circuit. It was the first snowmobile race of any kind to achieve national prominence. It catapulted snow racing into a nationally known sport. It made Eagle River internationally known, and now the "Snowmobile Capitol of the World", as Eagle River has been acclaimed by state legislation, is working to make the race, accommodations, and facilities even better than ever for driver and spectator alike.

For sheer excitement last year's events beat most

spectator sports in the world. The loud roar and snorts of hundreds of racing machines and the anticipation of the crowd in seeing the world's top drivers compete in a heart shaking finale are just part of the scene. For months prior to the race the sponsoring Eagle River Lions Club, aided by many other residents, grooms the classy one-third mile oval with its high 40 degree banked turns seventy feet wide; and the 5 mile partially wooded speed/obstacle course. A three inch mound of dirt can turn into a two foot mogul if not trimmed before the snows are compacted and the woods course has plenty of rough going without adding unnecessary hazard.

The schedule of events for Eagle River is as follows: Jan. 19-20, qualifying trials for world's championship

competition on oval, 8 a.m.; Jan. 21, men's modified and stock racing on oval, followed by women's feature match race; Jan. 22, junior class races on oval, 8 a.m.; Jan. 23, modified and stock competition, (finals) on oval and speed obstacle course, 9 a.m.; and at 3 p.m., World's Championship Feature Match Race.

Other events scheduled throughout the weekend include a torchlight parade; a hockey match; Snowmobile Ball; and a celebrity parade.

Entry blanks and all pertinent race information are available by writing race registration chairman, Bud Rismann, Eagle River, Wis., 54521. Inquiries about housing and the schedule of events may be addressed to the Eagle River Municipal Information Bureau, Eagle River, Wis., 54521.

KEEPING OUR BEST FRIENDS

Because of their unique fun appeal, snowmobiles seem to be operated by more family members, children included, than perhaps any recreational product in history.

For this reason the recreation experts at Mercury snowmobiles suggest that, in addition to those rules of a more adult-male nature which are frequently repeated, families learn and always observe some special safety rules.

Most important, never, never leave your keys in the switch, especially on an electric start machine. This is an

all-too-attractive invitation to children to "see what'll happen" if they turn the key - and the result could be serious injury.

Be certain all family members learn the "feel" of snowmobile braking action, and automatically allow adequate distance for the inherent sliding stop of the machine.

All family members should be coached on how to stop a snowmobile if the throttle should stick - by simply and quickly turning off the ignition key.

If children are allowed to

operate the machine, they never should be beyond your sight range - in a large open field.

Never over-exert yourself physically in terms of distance travelled or in emergencies such as trying to pull out a stuck machine. The safe rule, especially for youths and women, is to never travel further than an easy walk back to aid.

And the best rule is to travel together as a family - never alone - for more fun and safety too!

Lou Boudreau, of baseball's Hall of Fame and the 1971 Honorary Chairman for the 65th Annual Christmas Seal Campaign in Illinois, accepts his supply of this year's colorful TB & RD stamps. Ben D. Kinningham, Executive Director of the Illinois Tuberculosis and Respiratory Disease Association makes the presentation.

Our Congressman

ROBERT McCLORY
ON HUMAN RIGHTS

The plight of more than 2 million Jews in the Soviet Union has engendered widespread concern throughout the world. Despite the ostensible guarantees protecting human rights contained in the oft-touted Soviet Constitution, Soviet Jews are experiencing widespread persecution.

Special forms of discrimination are practiced against Soviet Jews, namely: (a) religious discrimination which prevents attendance at worship services and the observance of Jewish Holy Days and (b) restrictions on movements by Soviet Jews both within the Soviet Union and beyond that nation's borders.

Recently, the European Subcommittee of the House Committee on Foreign Affairs held hearings to help determine in what manner the denial of human rights to Jews in the Soviet Union may be prevented. The hearings produced a volume of information regarding the persecution of Soviet Jews and indicated that some 50,000 Jews in the Soviet Union are anxious to emigrate to other countries to secure opportunities which are non-existent in the Soviet Union.

The House Committee

hearings showed that more than 8,000 Jews have been permitted to leave the Soviet Union this year - a sharp increase from the virtual confinement which Jews in the Soviet Union experienced previously. The hearings also indicated that the shedding of light on the dilemma in which Soviet Jews find themselves is itself conducive to improved treatment of Jews in the Soviet Union and is facilitating their emigration to areas in the free world - principally Israel.

At the 20th Anniversary session of the Intergovernmental Committee on European Migration (ICEM) which this member attended last week in Geneva, Switzerland, the extensive migrations from the Eastern European nations - including the USSR, Czechoslovakia, and other nations in the Soviet Bloc - were reviewed.

The ICEM conference enabled this Member to confer directly with several public leaders who are dealing directly with the subject of Jews in the Soviet Union who are escaping to freedom in Israel - and elsewhere.

The expertise developed by ICEM since its establishment in 1951 is being employed to aid the public and private agencies which are providing an initial refuge in Vienna, Austria for those Jews who escape from, or who are permitted to leave the Soviet Union.

Of course, most refugees from Eastern Europe are not Jews. And only a small percentage of the some 80,000 displaced persons for whom ICEM helps to find new homes - are resettled in Israel. Still, the plight of Soviet Jews is alleviated immeasurably by this experienced and competent organization.

The 31-member nations of ICEM are determined to continue their efforts to the end that freedom and opportunity may be provided for many of the refugees who are able to escape from the tyranny and persecution of the Soviet Union and other Eastern European governments.

ST. PETER'S 6TH & 7TH WIN - 8TH GRADE LOSES TO ST. MARY'S

The St. Peter's 6th, 7th and 8th grade basketball teams played against St. Mary's of Fremont teams on December 5th at St. Peter's.

The 6th grade team came out on top by a score of 27-11 against St. Mary's. The 7th grade team also chalked up a victory, 34-12.

The 8th grade team had a little rougher time of it. St.

Peter's led through the first three quarters and then were unable to score any baskets in the 4th quarter. This is when St. Mary's went ahead to win 28-23.

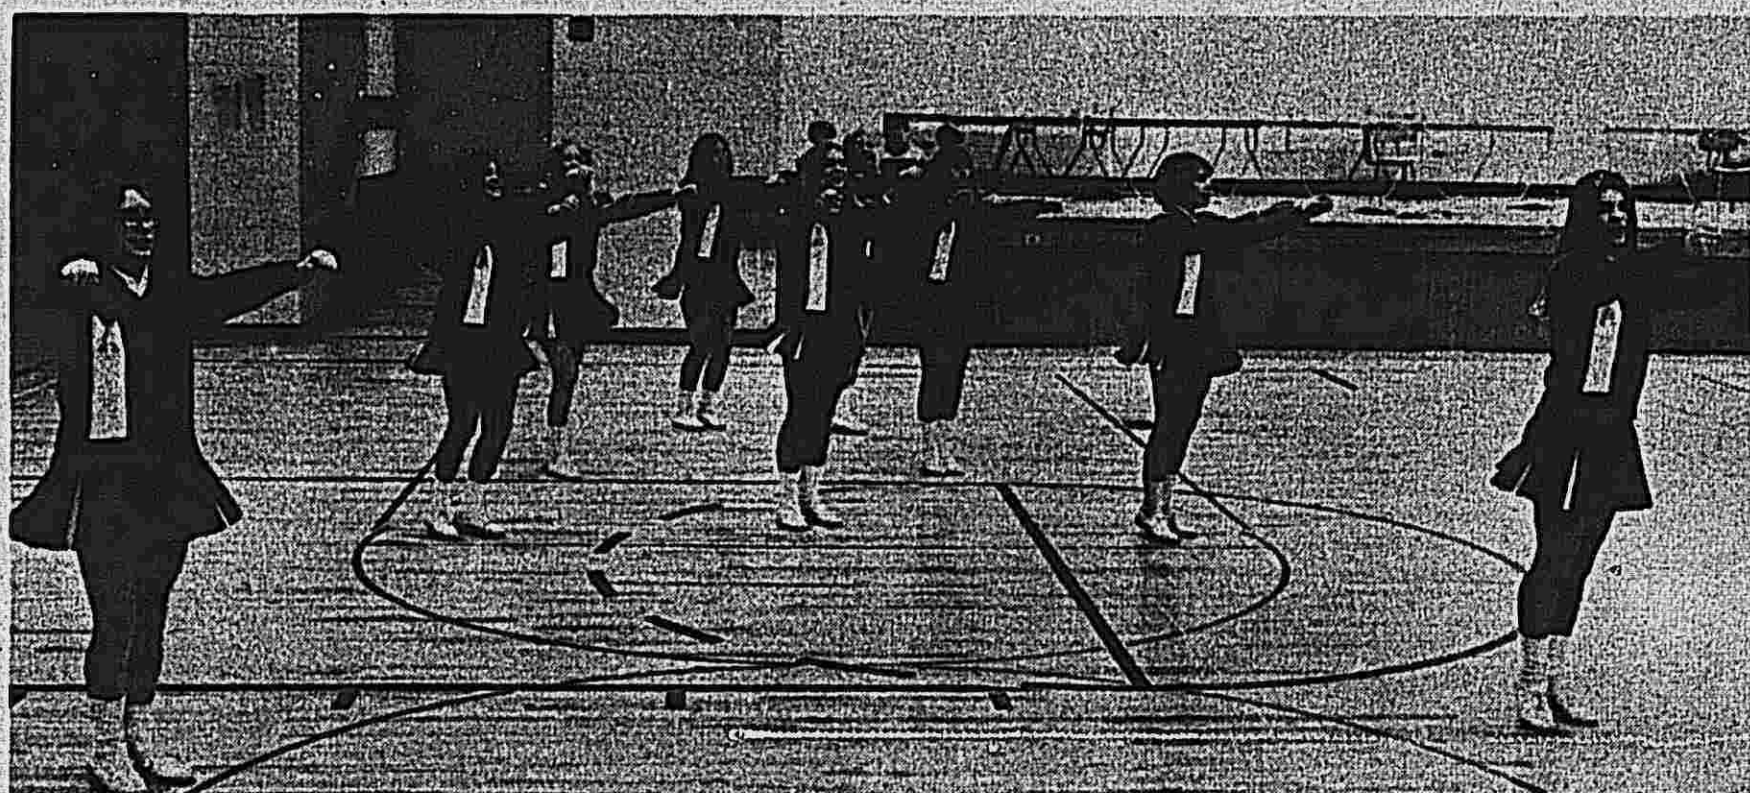

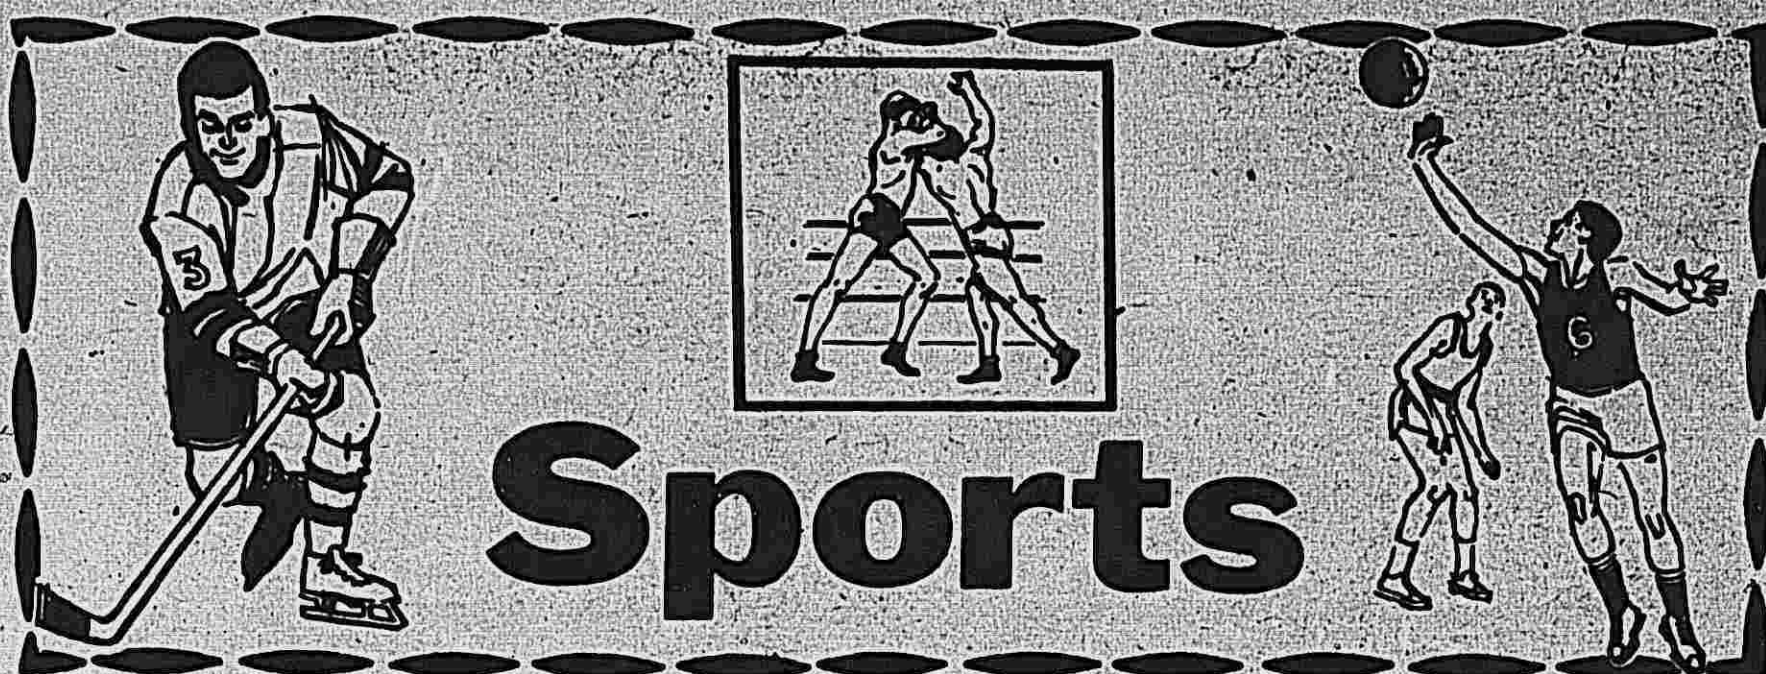

The teams will be in Round Lake next Sunday where they will play St. Joseph's team. Game time is 1:00 P.M. for the 6th grades.

LAKE COUNTY GENERAL MAY CLOSE

According to reports, Lake County General Hospital may close its doors to patients on July 1, 1972.

Services now provided by the hospital could be taken over by the Lake County Tuberculosis Sanatorium and the Lake County Home.

The move was necessitated by the dwindling number of patients at the hospital. In recent years, most of the patients were on welfare, while their more affluent neighbors chose the area's private hospitals. Currently there are 25-30 patients in a hospital with a capacity to handle 70.

In a plan that may be submitted to the County Board on December 14th, Lake County hospital will be closed, with acute patients being transferred to a partially

converted County Sanatorium and chronic patients being sent to the County Home.

The plan would require nearly half a million dollars to renovate and expand the two facilities, although no new building construction is being considered.

If this proposal is accepted on Tuesday night, the building which now houses Lake County General will become vacant. There already have been several suggestions as to the future use of the building. One listed the site as a possible home for a Council on Alcoholism "Halfway House".

The building could also be used as a rehabilitation center for former drug addicts or by the Office of Economic Opportunity as a facility for their Head Start or day care programs.

COACH DeROUSSE

CUT AND SAVE

WRESTLERS SPLIT OVER WEEKEND

Antioch's Varsity Grapplers split a weekend mat schedule beating conference rival Grant 24-18 and losing to Dundee 19-24.

Against Grant, the Sequoits were tied after the first 11 weight classes 18 all. A pin by Roberts and decisions by Cliff Bode, Severson, Shaefer and Feldmann put the entire load on the husky shoulders of heavyweight, Rayniak.

Rayniak was more than equal to the challenge as he escaped a hold by Grant's Harris and iced the victory by pinning his opponent at 4:50 of the last period.

The Sequoits wrestlers were not as fortunate against Dundee. Although Roberts, Larsen, Severson, Feldman and Rayniak were able to win their matches the Dundee squad picked up a hotly contested five point win 24-19.

Ted DeRousse will send his men into action again on Friday, December 10th at home against Round Lake. The varsity wrestlers are now 1-0 in league competition and 2-1 overall.

COACHES HEAR NUTRITION EXPERT

Several months ago a good friend of mine talked to some 400 school athletic coaches attending a Hall of Fame banquet in Oklahoma. He laid it on the line about special diets and commercial products which are supposed to improve athletic performance.

I'm told the 400 Oklahoma coaches listened intently as my friend, Frank Consolazio, spoke about how the U.S. Army has tested foods and nutrients that the Army had been asked to buy to improve the physical performance of soldiers.

Mr. Consolazio is Chief of the Bioenergetics Division at the U.S. Army Medical Research and Nutrition Laboratory at Fitzsimons General Hospital in Denver.

Commercial Products

Said Mr. Consolazio to the coaches: "We have tested endless commercial products that claim to create greater athletic ability. None, I repeat, none has had any positive effect. Large doses of vitamins or minerals create no increased ability."

The so-called "ade" drinks do not increase performance whatsoever, he said. They have one good effect - athletes are getting water on the field for the first time. A 3 percent loss of body water from sweating is extremely serious and could cause death. But the "ades" are an expensive form of water.

Army tests show that athletes deprived of water suffered elevated temperatures and decreased performance. Those who had water as desired also got the same symptoms but they devel-

oped more slowly. Those who were kept in balance by being given as much water as the body loses did not experience temperature elevation and were only somewhat fatigued at the end of testing.

Additional points by Mr. Consolazio:

High protein diets do not increase muscle power. High fat diets decrease efficiency and should not be used. Carbohydrates seem to be the only nutrient that can help. Many investigators have found that glycogen (body carbohydrate) does store in the muscles and the greater amount in the muscles the better the performance.

Coaches who rely on accurate scientific research currently work out their athletes heavily and then have them rest for two days prior to the event. During these two days they give them a balanced diet plus large amounts of carbohydrates to pack in glycogen in the muscles.

Balanced Diet

"The balanced diet which provides the recommended dietary allowances works, and you are in trouble when your athletes eat unbalanced diets. You must carefully remember your athletes are in their growth period and you must do nothing which would prevent normal growth."

Milk is an especially good food. One quart will give your athletes 50 percent of their protein, 20 percent of thiamin, 82 percent of calcium, 100 percent of riboflavin, and 27 percent of vitamin A. And it contains carbohydrates too.

wrestling

Freshmen Matmen Crush Grant Bulldogs

The Antioch Community High School Freshmen opened the N.W.S.C. race with a crushing 50-12 victory over the Grant Bulldogs. The Sequoits won the first eight matches, and lost only two matches the entire evening. It was a happy evening for Jim Edwards, Steve Olsen and Mike Jones - each winning their first match of the season.

On Saturday afternoon the freshmen wrestlers met Dundee in a match of unbeaten teams. A very spirited effort allowed Antioch to end Dundee's string of 4 wins and 0 losses by a score of 41-19. The win marked the first time that a freshmen team from Antioch has ever been able to defeat a Dundee freshmen wrestling

team. In the Dundee match, Dennis Thain, David Kisner, Jim January, Mike Weber and Rich Coari all had pins. At 167 pounds Dale Eastman escaped and then scored a take-down with just seconds remaining to gain a 3-3 tie. Tom Kost, wrestling at Sophomore 98 pound weight class, set a new freshman record for the fastest pin. Tom scored the pin in 20 seconds. The old mark was 23 seconds held by Alan Westman 1970-71. The win left the freshmen with a record of 3 wins 0 losses, 1 tie so far this season. The freshmen Sequoits wrestle Round Lake at Antioch on Friday night at 6:45, and Chicago Lakeview at Antioch on Saturday at 1:00 P.M.

Lions Sponsor Men's Physical Fitness Program

The Antioch Lions Club will sponsor a free Athletic Program for men and boys beginning, Thursday, December 9, 1971. Arrangements have been made to use the facilities of the South Gym at the Antioch Community High School every Thursday evening from 7:30 p.m. until 9:00 p.m. The Athletic Program will be free of charge and is available to boys, high school age and older and young men from the community. Gym shoes or sneakers will be required.

A choice of volley-ball or half-court basketball will be available to the participants. The South Gym is large enough to accommodate the simultaneous playing of two volley-ball games and two half-court basketball games.

This will enable more than forty players to be active at any given moment. Teams will be put together each week on a "choose up" basis, combining men and boys on each team. All players in attendance will be able to enjoy an equal amount of playing time.

Peter Houlihan, Chairman of the Youth Committee of the Antioch Lions Club said, "Our purpose in sponsoring this activity is simply to provide an opportunity for high school boys and young men to get a work-out and have fun." "Allowing for two Thursdays off for the Christmas Holidays, this will give us a total of fifteen outings." "All high school aged boys, regardless of their degree of athletic ability are cordially invited to attend."

Snow Derby at Eagle River

Excitement is building in this tiny town of 1,300 plus residents, as the dates of the eighth annual World's Championship Snowmobile Derby, Jan 19-23, creep up and an anticipated crowd of more than 40,000 snow fans jam the area.

This is the Number One race on the snow circuit. It was the first snowmobile race of any kind to achieve national prominence. It catapulted snow racing into a nationally known sport. It made Eagle River internationally known, and now the "Snowmobile Capitol of the World", as Eagle River has been acclaimed by state legislation, is working to make the race, accommodations, and facilities even better than ever for driver and spectator alike.

For sheer excitement last year's events beat most

spectator sports in the world. The loud roar and snorts of hundreds of racing machines and the anticipation of the crowd in seeing the world's top drivers compete in a heart shaking finale are just part of the scene. For months prior to the race the sponsoring Eagle River Lions Club, aided by many other residents, grooms the classy one-third mile oval with its high 40 degree banked turns seventy feet wide; and the 5 mile partially wooded speed/obstacle course. A three inch mound of dirt can turn into a two foot mogul if not trimmed before the snows are compacted and the woods course has plenty of rough going without adding unnecessary hazard.

The schedule of events for Eagle River is as follows: Jan. 19-20, qualifying trials for world's championship

competition on oval, 8 a.m.; Jan. 21, men's modified and stock racing on oval, followed by women's feature match race; Jan. 22, junior class races on oval, 8 a.m.; Jan. 23, modified and stock competition, (finals) on oval and speed obstacle course, 9 a.m.; and at 3 p.m., World's Championship Feature Match Race.

Other events scheduled throughout the weekend include a torchlight parade; a hockey match; Snowmobile Ball; and a celebrity parade.

Entry blanks and all pertinent race information are available by writing race registration chairman, Bud Risman, Eagle River, Wis., 54521. Inquiries about housing and the schedule of events may be addressed to the Eagle River Municipal Information Bureau, Eagle River, Wis., 54521.

KEEPING OUR BEST FRIENDS

Because of their unique fun appeal, snowmobiles seem to be operated by more family members, children included, than perhaps any recreational product in history.

For this reason the recreation experts at Mercury snowmobiles suggest that, in addition to those rules of a more adult-male nature which are frequently repeated, families learn and always observe some special safety rules.

Most important, never, never leave your keys in the switch, especially on an electric start machine. This is an

all-too-attractive invitation to children to "see what'll happen" if they turn the key - and the result could be serious injury.

Be certain all family members learn the "feel" of snowmobile braking action, and automatically allow adequate distance for the inherent sliding stop of the machine.

All family members should be coached on how to stop a snowmobile if the throttle should stick - by simply and quickly turning off the ignition key.

If children are allowed to

operate the machine, they never should be beyond your sight range - in a large open field.

Never over-exert yourself physically in terms of distance travelled or in emergencies such as trying to pull out a stuck machine. The safe rule, especially for youths and women, is to never travel further than an easy walk back to aid.

And the best rule is to travel together as a family - never alone - for more fun and safety too!

Lou Boudreau, of baseball's Hall of Fame and the 1971 Honorary Chairman for the 65th Annual Christmas Seal Campaign in Illinois, accepts his supply of this year's colorful TB & RD stamps. Ben D. Kiningham, Executive Director of the Illinois Tuberculosis and Respiratory Disease Association makes the presentation.

Our Congressman

ROBERT McCLORY

ON HUMAN RIGHTS

The plight of more than 2 million Jews in the Soviet Union has engendered widespread concern throughout the world. Despite the ostensible guarantees protecting human rights contained in the oft-touted Soviet Constitution, Soviet Jews are experiencing widespread persecution.

Special forms of discrimination are practiced against Soviet Jews, namely: (a) religious discrimination which prevents attendance at worship services and the observance of Jewish Holy Days and (b) restrictions on movements by Soviet Jews both within the Soviet Union and beyond that nation's borders.

Recently, the European Subcommittee of the House Committee on Foreign Affairs held hearings to help determine in what manner the denial of human rights to Jews in the Soviet Union may be prevented. The hearings produced a volume of information regarding the persecution of Soviet Jews and indicated that some 50,000 Jews in the Soviet Union are anxious to emigrate to other countries to secure opportunities which are non-existent in the Soviet Union.

The House Committee

hearings showed that more than 8,000 Jews have been permitted to leave the Soviet Union this year - a sharp increase from the virtual confinement which Jews in the Soviet Union experienced previously. The hearings also indicated that the shedding of light on the dilemma in which Soviet Jews find themselves is itself conducive to improved treatment of Jews in the Soviet Union and is facilitating their emigration to areas in the free world - principally Israel.

At the 20th Anniversary session of the Intergovernmental Committee on European Migration (ICEM) which this member attended last week in Geneva, Switzerland, the extensive migrations from the Eastern European nations - including the USSR, Czechoslovakia, and other nations in the Soviet Bloc - were reviewed.

The ICEM conference enabled this Member to confer directly with several public leaders who are dealing directly with the subject of Jews in the Soviet Union who are escaping to freedom in Israel - and elsewhere.

The expertise developed by ICEM since its establishment in 1951 is being employed to aid the public and private agencies which are providing an initial refuge in Vienna, Austria for those Jews who escape from, or who are permitted to leave the Soviet Union.

Of course, most refugees from Eastern Europe are not Jews. And only a small percentage of the some 80,000 displaced persons for whom ICEM helps to find new homes - are resettled in Israel. Still, the plight of Soviet Jews is alleviated immeasurably by this experienced and competent organization.

The 31-member nations of ICEM are determined to continue their efforts to the end that freedom and opportunity may be provided for many of the refugees who are able to escape from the tyranny and persecution of the Soviet Union and other Eastern European governments.

ST. PETER'S 6TH & 7TH WIN - 8TH GRADE LOSES TO ST. MARY'S

The St. Peter's 6th, 7th and 8th grade basketball teams played against St. Mary's of Fremont teams on December 5th at St. Peter's.

The 6th grade team came out on top by a score of 27-11 against St. Mary's. The 7th grade team also chalked up a victory, 34-12.

The 8th grade team had a little rougher time of it. St.

Peter's led through the first three quarters and then were unable to score any baskets in the 4th quarter. This is when St. Mary's went ahead to win 28-23.

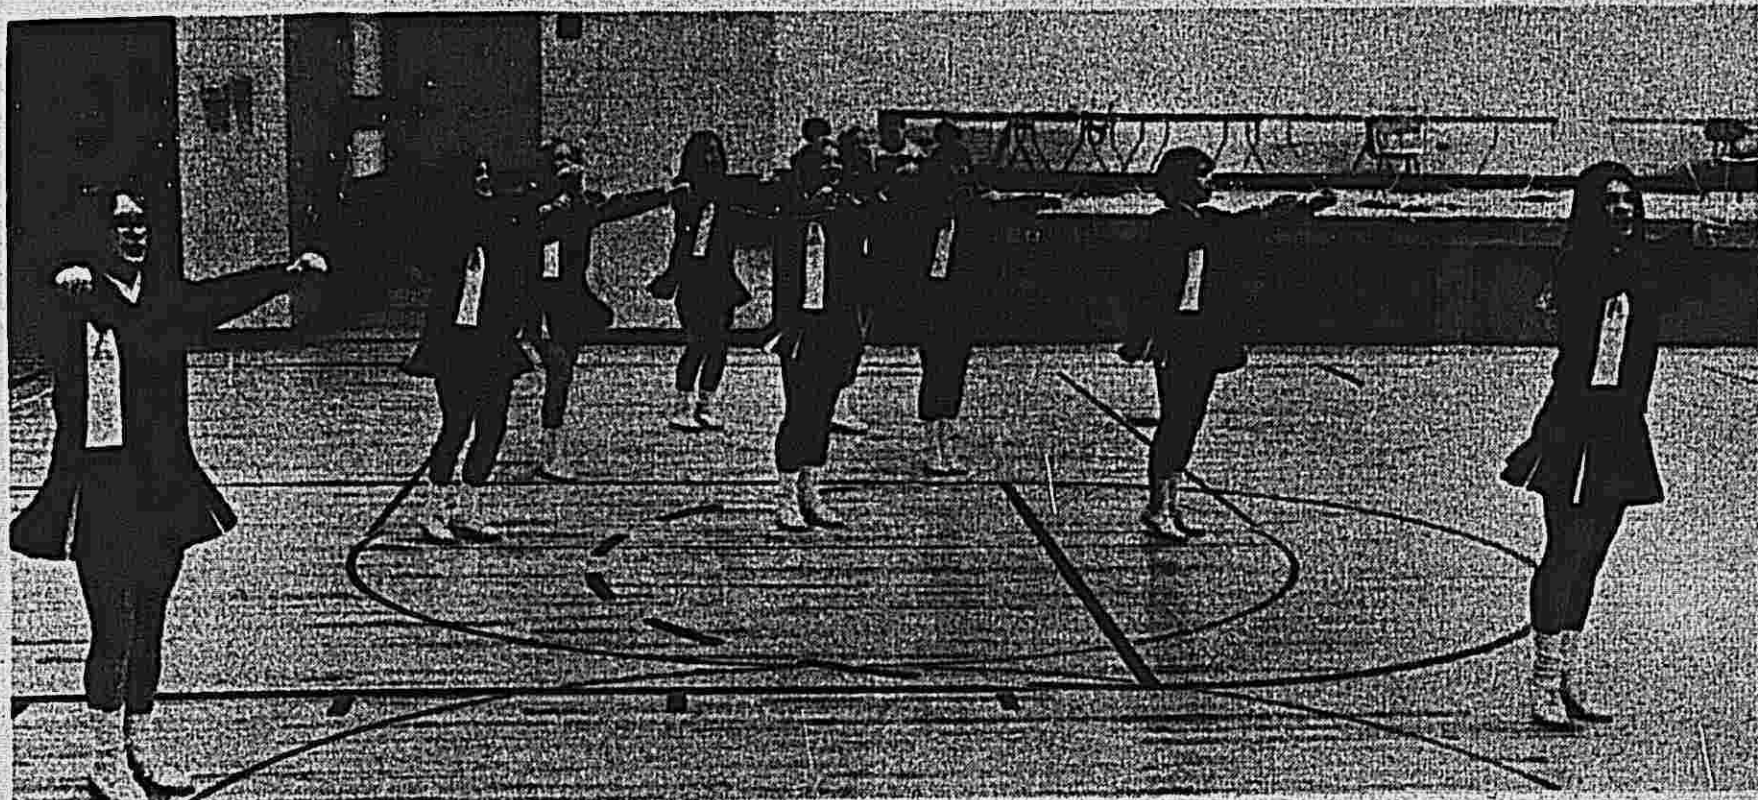

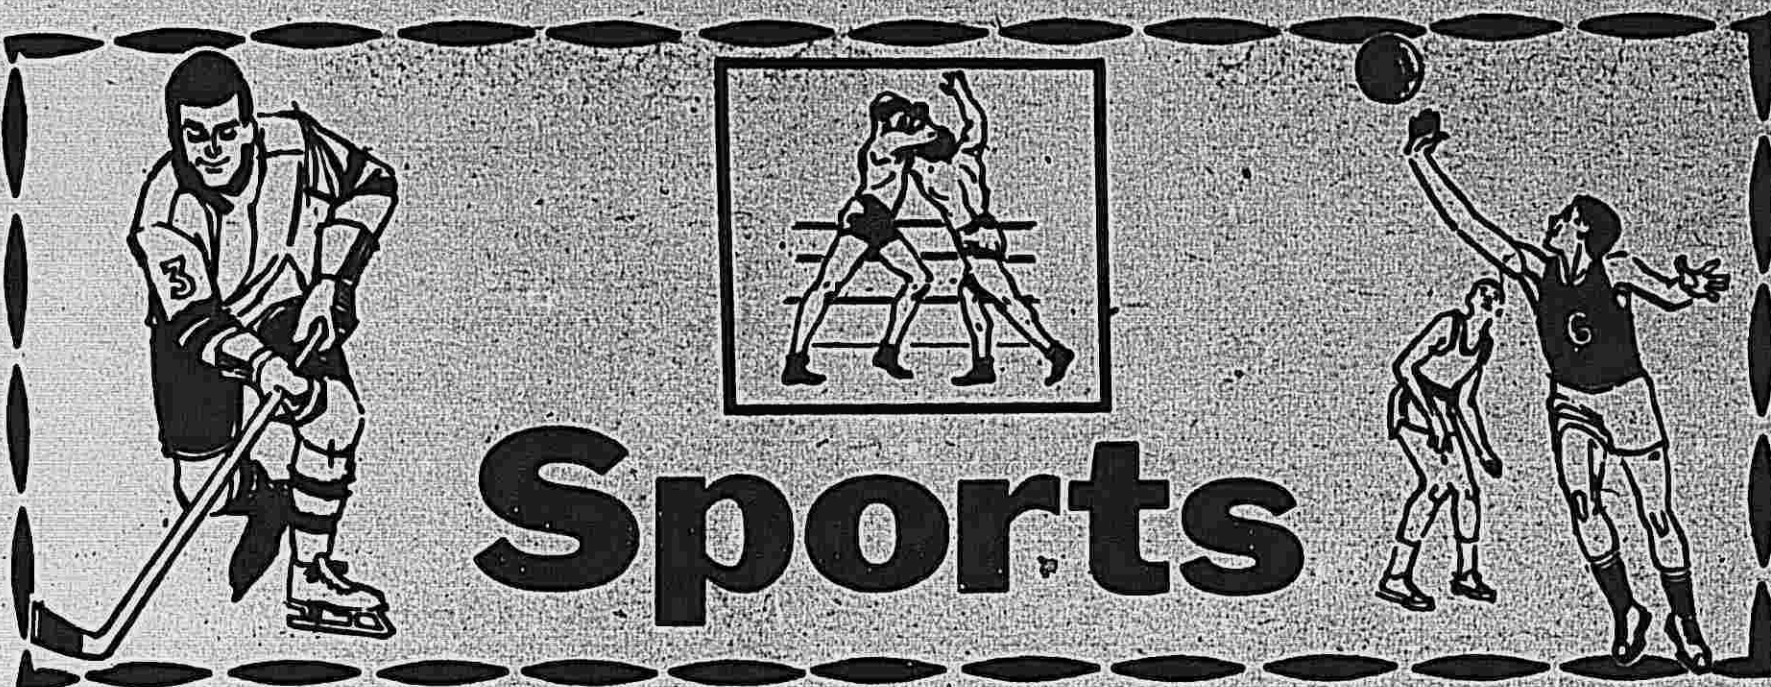

The teams will be in Round Lake next Sunday where they will play St. Joseph's team. Game time is 1:00 P.M. for the 6th grades.

### LAKE COUNTY GENERAL MAY CLOSE

According to reports, Lake County General Hospital may close its doors to patients on July 1, 1972.

Services now provided by the hospital could be taken over by the Lake County Tuberculosis Sanatorium and the Lake County Home.

The move was necessitated by the dwindling number of patients at the hospital. In recent years, most of the patients were on welfare, while their more affluent neighbors chose the area's private hospitals. Currently there are 25-30 patients in a hospital with a capacity to handle 70.

In a plan that may be submitted to the County Board on December 14th, Lake County hospital will be closed, with acute patients being transferred to a partially

converted County Sanatorium and chronic patients being sent to the County Home.

The plan would require nearly half a million dollars to renovate and expand the two facilities, although no new building construction is being considered.

If this proposal is accepted on Tuesday night, the building which now houses Lake County General will become vacant. There already have been several suggestions as to the future use of the building. One listed the site as a possible home for a Council on Alcoholism "Halfway House".

The building could also be used as a rehabilitation center for former drug addicts or by the Office of Economic Opportunity as a facility for their Head Start or day care programs.

Antioch matman pins Grant opponent in Friday's big conference win.

COACH DeROUSSE

CUT AND SAVE

## WRESTLERS SPLIT OVER WEEKEND

Antioch's Varsity Grapplers split a weekend mat schedule beating conference rival Grant 24-18 and losing to Dundee 19-24.

Against Grant, the Sequoits were tied after the first 11 weight classes 18 all. A pin by Roberts and decisions by Cliff Bode, Severson, Shaefer and Feldmann put the entire load on the husky shoulders of heavyweight, Rayniak.

Rayniak was more than equal to the challenge as he escaped a hold by Grant's Harris and iced the victory by pinning his opponent at 4:50 of the last period.

The Sequoits wrestlers were not as fortunate against Dundee. Although Roberts, Larsen, Severson, Feldman and Rayniak were able to win their matches the Dundee squad picked up a hotly contested five point win 24-19.

Ted DeRousse will send his men into action again on Friday, December 10th at home against Round Lake. The varsity wrestlers are now 1-0 in league competition and 2-1 overall.

## COACHES HEAR NUTRITION EXPERT

Several months ago a good friend of mine talked to some 400 school athletic coaches attending a Hall of Fame banquet in Oklahoma. He laid it on the line about special diets and commercial products which are supposed to improve athletic performance.

I'm told the 400 Oklahoma coaches listened intently as my friend, Frank Consolazio, spoke about how the U.S. Army has tested foods and nutrients that the Army had been asked to buy to improve the physical performance of soldiers.

Mr. Consolazio is Chief of the Bioenergetics Division at the U.S. Army Medical Research and Nutrition Laboratory at Fitzsimons General Hospital in Denver.

### Commercial Products

Said Mr. Consolazio to the coaches: "We have tested endless commercial products that claim to create greater athletic ability. None, I repeat, none has had any positive effect. Large doses of vitamins or minerals create no increased ability."

The so-called "ade" drinks do not increase performance whatsoever, he said. They have one good effect - athletes are getting water on the field for the first time. A 3 percent loss of body water from sweating is extremely serious and could cause death. But the "ades" are an expensive form of water.

Army tests show that athletes deprived of water suffered elevated temperatures and decreased performance. Those who had water as desired also got the same symptoms but they devel-

oped more slowly. Those who were kept in balance by being given as much water as the body loses did not experience temperature elevation and were only somewhat fatigued at the end of testing.

Additional points by Mr. Consolazio:

High protein diets do not increase muscle power. High fat diets decrease efficiency and should not be used. Carbohydrates seem to be the only nutrient that can help. Many investigators have found that glycogen (body carbohydrate) does store in the muscles and the greater amount in the muscles the better the performance.

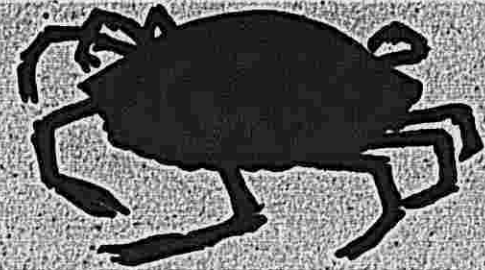

Coaches who rely on accurate scientific research currently work out their athletes heavily and then have them rest for two days prior to the event. During these two days they give them a balanced diet plus large amounts of carbohydrates to pack in glycogen in the muscles.

### Balanced Diet

"The balanced diet which provides the recommended dietary allowances works, and you are in trouble when your athletes eat unbalanced diets. You must carefully remember your athletes are in their growth period and you must do nothing which would prevent normal growth."

Milk is an especially good food. One quart will give your athletes 50 percent of their protein, 20 percent of thiamin, 82 percent of calcium, 100 percent of riboflavin, and 27 percent of vitamin A. And it contains carbohydrates too.

## wrestling

## Freshmen Matmen Crush Grant Bulldogs

The Antioch Community High School Freshmen opened the N.W.S.C. race with a crushing 50-12 victory over the Grant Bulldogs. The Sequoits won the first eight matches, and lost only two matches the entire evening. It was a happy evening for Jim Edwards, Steve Olsen and Mike Jones - each winning their first match of the season.

On Saturday afternoon the freshmen wrestlers met Dundee in a match of unbeaten teams. A very spirited effort allowed Antioch to end Dundee's string of 4 wins and 0 losses by a score of 41-19. The win marked the first time that a freshmen team from Antioch has ever been able to defeat a Dundee freshmen wrestling

team. In the Dundee match, Dennis Thain, David Kisner, Jim January, Mike Weber and Rich Coari all had pins. At 167 pounds Dale Eastman escaped and then scored a take-down with just seconds remaining to gain a 3-3 tie. Tom Kost, wrestling at Sophomore 98 pound weight class, set a new freshman record for the fastest pin. Tom scored the pin in 20 seconds. The old mark was 23 seconds held by Alan Westman 1970-71. The win left the freshmen with a record of 3 wins 0 losses, 1 tie so far this season. The freshmen Sequoits wrestle Round Lake at Antioch on Friday night at 6:45, and Chicago Lakeview at Antioch on Saturday at 1:00 P.M.

Pat Michalak outreaches Grant's Bob Olsen for rebound.

## Sequoits Divide Two '2'

Antioch's Varsity Basketball team came out of weekend activity with a 1-1 slate as they beat conference rival Grant on Friday before bowing to Tremper of Kenosha the following night.

In the first encounter, Antioch dominated the second

half and dispatched higher rated Grant by a 59-45 margin.

The Sequoits held a slim lead until 1:31 of the second quarter when a flurry by the Bulldogs sent them to the locker room trailing by three, 27-24.

Coach Roger Andrews made

some adjustments during the intermission and his Pat Michalak led the starting five and dominated every phase of the game to crush Grant.

Michalak was the games leading scorer with 17 and also took high honors with rebounds, as he used both muscle and finesse to corral 27.

While it was a solid team effort special mention should be made of Jeff Williams who kept his busy hands out of foul mischief to score 11 and grab 13 bounds.

Tim Mieure and Mark Andrews had good games as each notched five assists while scoring 15 and 10 respectively. Fred Popp did a superb job on defense, while hitting on three buckets.

Coach Andrews labeled the game a "real team effort." He stated that his men had done it "by self discipline and smart basketball."

The Sequoits weren't as fortunate in Saturday's tilt as they were upended by a strong Kenosha-Tremper squad 47-36.

The ball wouldn't go through the hoop for the Antioch squad. They hit on only 12 of 50 shots for a disastrous 24 per cent clip. At the Charity Stripe they weren't much more effective hitting only 12 of 30 free throws.

Antioch's troubles started early. With only a minute and a half gone, Pat Michalak was caught for two infractions and later fouled out, midway through the third quarter.

The Sequoits led 13-12 with 6:31 remaining in the half, but became cold from the floor. Tremper a Wisconsin powerhouse, was held to their poorest showing this season. The team normally runs up big scores against it's opponents.

"Our playing was steady throughout the game," commented Andrews, "except for our shooting." He later said

## Sophomores

### Beat Grant Then Lose

Antioch's Sophomores opened their conference basketball season by defeating Grant 52-49 in overtime. It was an exciting beginning for what promises to be a good season since Grant is considered one of the better sophomore teams in the conference.

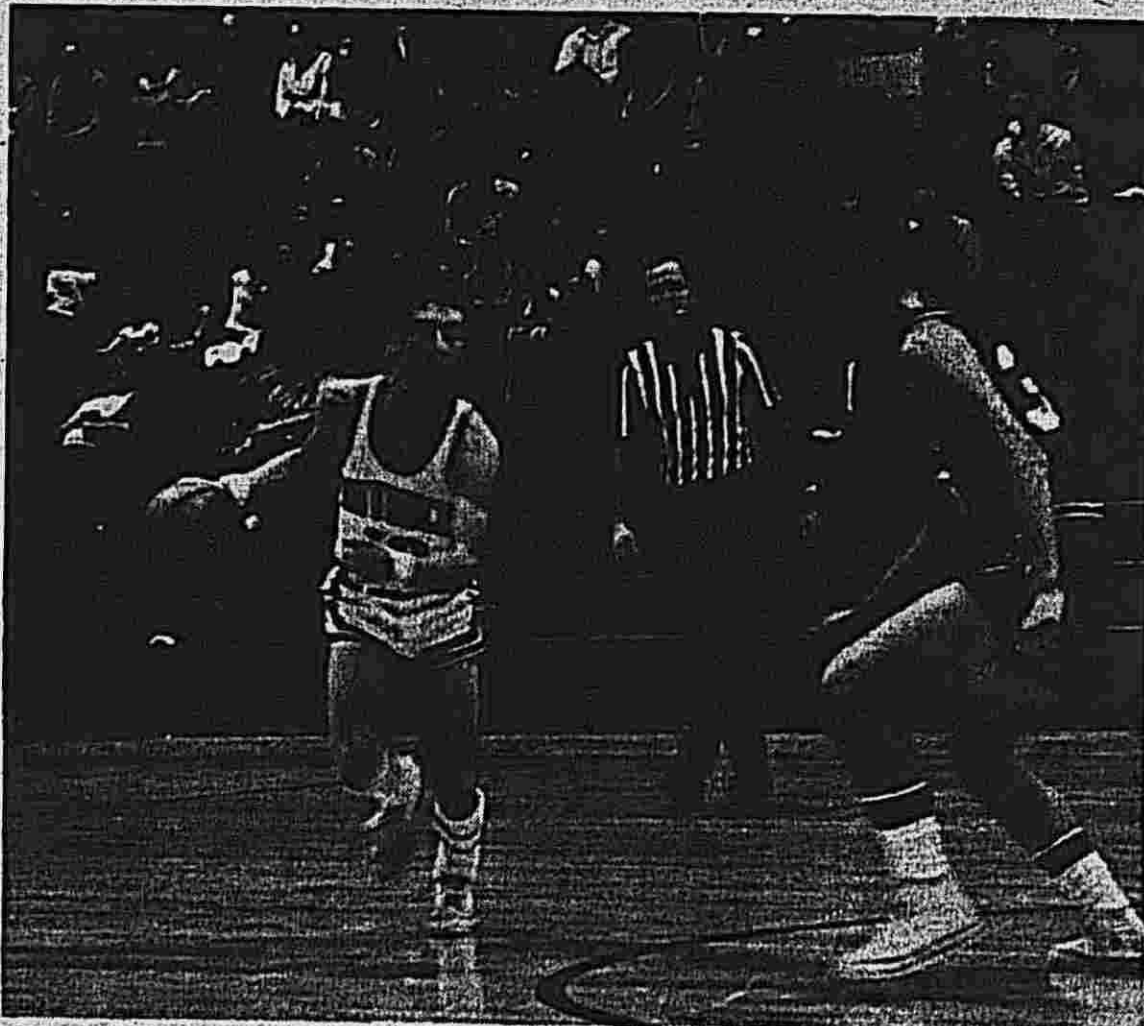

The young Sequoits fell behind early in the game but bottled back to a 19-19 tie at half-time. In the third quarter Antioch pulled ahead as Larry Smith and Mike Gutowski hit three and two baskets respectively.

In the fourth quarter Antioch relaxed a little too much allowing Grant to tie the score at 47 apiece, just as the buzzer sounded. In the overtime period, Antioch scored five free throws, again by Smith and Gutowski; while Grant scored but one basket. Smith led all scorers with 21

points and led in rebounds with 11. John Janosko added 9 rebounds as Antioch led in this department 35 to 23.

Coach Norm Hahn was extremely proud of his charges. He commented, "I thought the guys did a great job. We corrected all the things we wanted better free throw shooting, cut down on turnovers, and fewer fouls. This victory is enhanced when you remember that as freshmen Antioch lost both games to Grant."

Saturday the sophomores were flat as they lost to Kenosha Tremper 58-44. The big game with Grant had simply sapped them. Everyone got a chance to play but Kenosha was just too strong. Gutowski led Antioch with 12 points and six assists.

Tim Mieure eludes Grant defender on his way toward the bucket.

(Staff Photos)

### FRESHMEN BLITZ GRANT

The Antioch Freshman Basketball team opened their conference season by blitzing Grant 64-44. The week before, the Antioch Freshmen squeezed by Zion winning 42-41. The pressure defense on Saturday led to a number of turnovers by Grant, followed up by a fast break by Antioch.

In the first quarter the Freshmen led 17-3 before Grant could muster any attack and led 21-10 at the end of the first quarter. The score at half-time was 32-20. The third quarter opened with a man-to-man defense and

shifted to a zone press outscoring the Bulldogs 21 to 8. With a 25 point lead the reserves played most of the fourth quarter. Russ Albano, 6' 2 1/2" Center led the team in scoring with 17 points and 26 rebounds. All of the team did an excellent job for this early in the season. Other outstanding players were: Mike Perroni

Other outstanding players were: Mike Perrone and Bobby Dodd—a quick little playmaker for the Freshmen. Their next game is at Round Lake next Saturday.

### GREG DRIJE ALL STAR

Greg Drije, of Antioch, who attends Monmouth College was recently named to the Midwest Conference first team all star team. It was the second straight year that Greg has earned all loop honors at his offensive center position.

Greg, a senior, was one of the co-captains and headed the list of all conference "Scots" that carried the team to an 8-1 season and a tie for the Midwest Conference championship.

He was one of the big reasons that the Fighting Scots rushed for 2486 yards and 32 touchdowns in nine games.

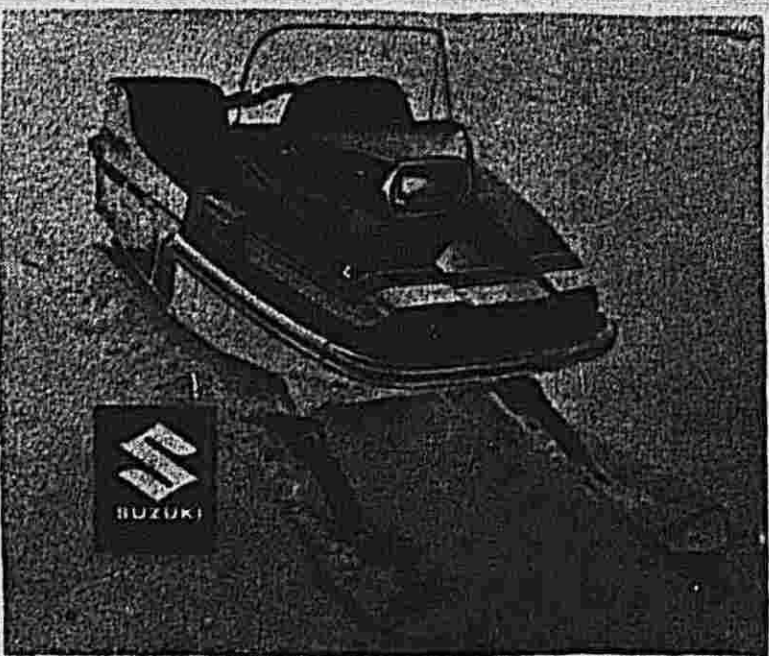

that any team that holds Kenosha to less than 50 points, "has done quite a job on defense."

On Friday, the Sequoits travel to Round Lake to face the conference rival Panthers. Starting time for the sophomore game is 6:45.
